3.1 Construction by Landlord. The Leased Premises shall be delivered to Tenant in "AS IS", "WITH ALL FAULTS" condition. Subject to force majeure, such delivery shall occur promptly after the CON permit referenced in Section 12.19 hereof is approved by the Illinois Health Facilities and Services Review Board.

3.2 Construction by Tenant and Tenant's Plans. Tenant will complete the Tenant's Work at Tenant's expense, in a good and workmanlike manner, in accordance with the plans and specifications hereinafter referred to in this Section 3.2. Prior to beginning any work on the Leased Premises, Tenant shall have received Landlord's written approval of plans and specifications for Tenant's Work prepared in conformity with all applicable building codes and regulations and in sufficient detail to constitute complete working plans and specifications. Landlord shall approve or disapprove such plans and specifications within 15 days after receipt. Reasons for disapproval shall be specifically noted, but Landlord may reject the plans for any good reason. Tenant shall cause all work to be performed in conformity with the plans and specifications as approved by Landlord and will not make any changes or modifications thereto without Landlord's written consent. Tenant shall obtain all required building permits and approvals from local authorities and furnish copies thereof to Landlord before commencing any of Tenant's Work.

Tenant agrees that, within thirty (30) days after the execution and delivery of this Lease, Tenant shall submit its applications for its building permit for Tenant's Work and the CON permit approval referenced in Section 12.19 below.

3.3 Lien Free Completion. Tenant agrees to pay promptly, when due, all costs of Tenant's Work; to obtain from each contractor with whom Tenant or any of its assignees or sublessees has contracted for such work, prior to paying any amount to such contractor, a statement in writing under oath, or verified by affidavit, of the names of all parties furnishing materials and labor for such work and the amounts due, or to become due, to each and, at the time of payment, obtain from each contractor a Waiver of Lien in the amount paid to each; to keep the Leased Premises and the Shopping Center at all times free of liens, and claims for liens, for labor and materials for work undertaken by Tenant or any of its assignees or sublessees; to furnish Landlord copies of all contracts entered into by Tenant or any of its assignees or sublessees and the sworn statements and waivers of liens therefor, promptly upon receipt of the same by Tenant or any of its assignees or sublessees; to only use contractors previously approved in writing by Landlord; to perform such work with union labor, to the extent and in such manner as to insure proper maintenance of good labor relationships; and to save Landlord harmless and indemnified from all injury, loss, claims or damage to any person or property occasioned by or growing out of such work. If any claim for Mechanic's Lien arises against the Leased Premises or the Shopping Center by reason of work undertaken by Tenant or any of its assignees or sublessees, and such claim is not discharged, bonded or otherwise satisfied by Tenant within

thirty (30) days after written notice to Tenant, Landlord may pay such claim and proceed to obtain the discharge and release thereof, and Tenant shall pay Landlord as additional rent the amount paid by Landlord to obtain the discharge and release thereof, together with court costs and attorneys' fees upon demand.

ARTICLE IV

INTENTIONALLY OMITTED.

ARTICLE V

COMMON AREAS AND FACILITIES.

5.1 Common Areas and Facilities. Landlord shall make available, from time to time, such areas and facilities of common benefit to the tenants and occupants of the Shopping Center as Landlord shall deem appropriate (herein referred to as the "Common Areas"). Landlord shall operate, manage, equip, light, insure, repair and maintain the Common Areas for their intended purposes in such manner as Landlord shall, in its sole discretion, determine and may, from time to time, change the size, location and nature of any Common Areas, and Landlord shall not be subject to liability therefor, nor shall Tenant be entitled to any compensation, or diminution or abatement of rent, on account of any such action, nor shall any such action be deemed an actual or constructive eviction of Tenant.

5.2 Use of Common Areas. Tenant and its permitted concessionaires, officers, employees, agents, customers and invitees shall have the non-exclusive right, in common with Landlord and all others to whom Landlord has or may grant rights, to use the Common Areas as designated from time to time by Landlord, subject to such rules and regulations as Landlord may from time to time impose, including, without limitation, the designation of the days and hours the Common Areas shall be open and the designation of specific areas in which cars owned by Tenant, its permitted concessionaires, officers, employees and agents shall be parked. If Landlord shall designate such parking areas, and if any car of Tenant or a permitted concessionaire, officer, employee or agent of Tenant is parked in any other portion of the Shopping Center, Tenant shall pay to Landlord, upon demand, the sum of \$10.00 for each such car for each day, or part thereof, such car is parked; and Tenant hereby authorizes Landlord to tow, or cause any such car to be towed, from the Shopping Center and agrees to reimburse Landlord for the cost thereof, upon demand, and otherwise to indemnify and hold Landlord harmless with respect thereto. Tenant agrees to abide by such rules and regulations and to use its best efforts to cause its permitted concessionaires, officers, employees, agents, customers and invitees to conform thereto. Landlord may at any time temporarily close Common Areas to make repairs or changes or to discourage non-customer parking, and may do such other acts to the Common Areas as, in its judgment, may be desirable to improve the convenience thereof. Tenant shall, upon request, furnish to Landlord the license numbers and descriptions of the cars operated by Tenant and its permitted concessionaires, officers, employees and agents. Tenant shall not at any time interfere with the rights of Landlord and other Tenants, its and their permitted concessionaires, officers, employees, agents, customers and invitees to use any part of the parking areas and other Common Areas.

5.3 Charge for Common Areas and Facilities. Tenant shall pay to Landlord, as additional rent, in the manner provided in Section 5.5, Tenant's pro rata share, as defined in Section 5.4, of "Common Area Maintenance Costs," which term is defined as follows:

"Common Area Maintenance Costs" is defined as all costs and expenses (except taxes covered by Section 8.1(o)) paid or incurred by Landlord during or with respect to the Lease Term (including appropriate reserves) (a) in operating, managing, equipping, policing (if, and to the extent, provided by Landlord), protecting, insuring, heating, cooling, lighting, ventilating, repairing, replacing, and maintaining the Common Areas of the Shopping Center and/or (b) as a result of assessments, dues, pass-through charges or other amounts charged or assessed to or against Landlord or the Shopping Center pursuant to the terms of any covenant, condition and restriction agreement, property owners or other declaration or other title document that applies to the Shopping Center and imposes or assesses costs, dues or other charges of any nature to or against Landlord or the Shopping Center (e.g., property owners assessments payable by Landlord, as the owner of the Shopping Center, if the Shopping Center is part of a larger development that is subject to a property owners declaration or property owners' association dues). Such costs and expenses shall include, but not be limited to: maintaining any enclosed Common Area; cleaning; removal of rubbish and other refuse; restriping, resealing, resurfacing and replacing, and repairing potholes in, any parking and driveway areas; costs of maintaining, repairing and replacing any fire protection or sprinkler system serving any building within the Shopping Center and costs of monitoring and alarm services, and of inspections, relating thereto; exterior illumination of buildings and Common Areas, and illumination and maintenance of signs, whether or not the lights or signs are located on the Shopping Center; snow and ice clearance; costs and expenses of planting, maintaining and replanting flowers and other landscaping; water and sewerage charges; premiums for liability, property damage, fire, extended coverage, malicious mischief, vandalism, worker's compensation, employees' liability and other insurance paid by Landlord on, or in respect of, the Shopping Center for any calendar or premium year or part thereof included in the Lease Term or any renewal term; the amount of any uninsured loss or damage to the Common Areas or the remainder of the Shopping Center suffered or incurred by Landlord (including, without limitation, the amount of any loss or damage not covered by insurance due to applicable deductible provisions); wages, unemployment taxes and social security taxes; special assessments; personal property taxes; fees for audits; required licenses and permits; costs and expenses of supplies; operation of loudspeakers and any other equipment supplying music to the Common Areas; reasonable depreciation of, and rents paid for, the leasing of equipment used in the operation of the Common Areas and an administrative fee equal to 15 percent of the total amount of the Common Area Maintenance Costs (other than such administrative fee).

Landlord shall cap future increases to "controllable" Common Area Maintenance Costs at six percent (6%) per annum, cumulative over a base of \$1.50 psf per year (rounded to the nearest penny) for 2018 (i.e., \$1.50 psf per year through December 31, 2018, \$1.59 psf for 2019, \$1.69 psf for 2020, etc.). "Controllable" Common Area Maintenance Costs shall not include snow and ice removal costs, utility charges, insurance premium costs and other uncontrollable costs.

5.4 Tenant's Pro Rata Share of Common Area Maintenance Costs. Tenant's pro rata share of the Common Area Maintenance Costs shall be the ratio of the total floor area of the

Leased Premises to the total floor area of all rentable space in the Shopping Center. "Floor Area" means with respect to any rentable area in the Shopping Center, including the Leased Premises, the square feet of floor space on all floors therein, measured from the outside of all exterior boundary walls and the midpoint of any interior boundary walls. It shall not include the floor area of roof structures used for mechanical equipment or the Common Areas.

5.5 Payment of Estimated Charges and Periodic Adjustment. Tenant shall pay to Landlord in advance, on the first day of each calendar month during the Lease Term, the amount reasonably estimated by Landlord as Tenant's pro rata share of the Common Area Maintenance Costs for such month. Landlord shall furnish Tenant a regular annual statement of the estimated amount of such charges in advance of the due date.

The computation and payment of Common Area Maintenance Costs shall be based on annual, semi-annual or quarterly "Computational Periods" (as determined by Landlord from time to time) of consecutive calendar months, on either a calendar or fiscal year basis as determined by Landlord from time to time. At the end of any Computational Period, Landlord shall furnish Tenant with a statement prepared in reasonable detail, in accordance with general accounting principles consistently applied, of the actual Common Area Maintenance Costs paid or incurred by Landlord during such Computational Period and Tenant's pro rata share thereof for such period. Within 30 days after receipt of the statement, there shall be a settlement between Landlord and Tenant with payment to Landlord, or credit to Tenant, as the case may be, so that the amount of Common Area Maintenance Costs paid by Tenant shall equal Tenant's pro rata share thereof for such period as computed hereunder and no more. In the event the Lease Term covers only a portion of a Computation Period, the pro rata share of Tenant's Common Area Maintenance Costs for such period shall be adjusted in proportion to the amount of such period covered by the Lease Term.

ARTICLE VI

UTILITIES AND MAINTENANCE AGREEMENT.

6.1 Utilities. Tenant shall pay for all utilities used in the Leased Premises, including, without limitation, all electricity and gas, and, at its own cost and expense and with its own equipment, shall heat or chill the water it uses to meet all of its requirements and will at its own cost maintain said equipment in good working order during the Lease Term.

6.2 Maintenance Agreement. A maintenance agreement for the heating, ventilating and air conditioning equipment shall be obtained by Tenant and shall provide for twice-a-year inspection and service. A copy of such maintenance agreement shall be furnished to Landlord.

ARTICLE VII

LANDLORD'S ADDITIONAL COVENANTS.

7.1 Repairs by Landlord. Landlord shall, at its own expense, keep the foundations and roof of the Leased Premises and the structural soundness of the concrete floor and exterior walls thereof, in good order, repair and condition, unless any necessary work is required because of damage caused by any act, omission or negligence of Tenant, any permitted assignee, sublessee

or concessionaire or any of their respective employees, agents, invitees, licensees or contractors. Landlord shall not be required to commence any such repair until a reasonable time after written notice from Tenant that the same is necessary. The provisions of this paragraph shall not apply in the case of damage or destruction by fire or other casualty or a taking under the power of eminent domain, in which events the obligations of Landlord shall be controlled by Article IX. Except as provided in this Section 7.1, Landlord shall not be obligated to make repairs, replacements or improvements of any kind upon the Leased Premises, or to any equipment, facilities or fixtures contained therein, which shall be the responsibility of Tenant.

7.2 Quiet Enjoyment. So long as Tenant pays the rents and observes and performs all of Tenant's obligations under this Lease, Tenant shall quietly enjoy the Leased Premises. Tenant's quiet enjoyment of the Leased Premises shall be subject, however, to the provisions of this Lease and dispossession by reason of superior title. If a mortgagee becomes the owner of the Leased Premises by foreclosure or deed in lieu of foreclosure, Tenant's quiet enjoyment shall not be disturbed so long as Tenant is not in default under this Lease; provided, however, that no eviction of Tenant for any reason whatsoever after Landlord shall have conveyed the fee of the Leased Premises shall be construed as a breach of this covenant, and no action therefor shall be brought against Landlord. If Tenant shall be dispossessed from the Leased Premises by reason of superior title or the foreclosure of any mortgage now or hereafter placed upon the Leased Premises, the payment of rent shall cease from and after the date of such dispossession, and all rent that Tenant may have prepaid and any security deposit made by Tenant with Landlord shall be returned to Tenant forthwith, but Tenant shall not be entitled to receive from Landlord any damages suffered by Tenant as a result of such dispossession.

ARTICLE VIII

TENANT'S ADDITIONAL COVENANTS.

8.1 Affirmative Covenants. Tenant covenants, at its expense, at all times during the Lease Term and during any other time that Tenant occupies the Leased Premises or any part thereof and after the termination of this Lease (in the case of obligations to be performed after, or that survive, the termination of this Lease):

(a) To perform promptly all of the obligations of Tenant as set forth in this Lease, including, without limitation, the obligation to pay when due all rent, and all charges, rates and other sums, which by the terms of this Lease are to be paid by Tenant. Payment of all such amounts shall be paid to:

Hazel Crest Plaza
c/o National Shopping Plazas, Inc.
200 West Madison Street, Suite 4200
Chicago, Illinois 60606-3402

or to such persons at such other places as Landlord may designate in written notice to Tenant from time to time.

(b) To use the Leased Premises only for the Permitted Uses specified in Section 1.6, to operate its business in the Leased Premises under Tenant's Trade Name as set

forth in Section 1.1; and to conduct its business at all times in a high-grade and reputable manner so as to produce the maximum volume of sales and transactions, and to help establish and maintain a high reputation for the Shopping Center.

(c) Except when, and to the extent that, the Leased Premises are untenable by reason of damage by fire or other casualty, to use and continuously operate for retail sales purposes all of the Leased Premises other than such minor portions thereof as are reasonably required for storage and office purposes; to use such storage and office space only in connection with the business conducted by Tenant in the Leased Premises; to furnish and install all trade fixtures, which shall at all times be suitable and proper for carrying on Tenant's business; to carry a full and complete stock of seasonable merchandise offered for sale at competitive prices; to maintain adequate trained personnel for efficient service to customers; and to open for business and remain open for the customary business hours during all regular and usual business days during the entire Lease Term; and to light its display windows and signs, if any, during any hours when either the Shopping Center or the Leased Premises are open for business.

(d) To store in the Leased Premises only such merchandise as is to be offered for sale at retail within a reasonable time after receipt; to store all trash and refuse in adequate containers within the Leased Premises (or at a location(s) therefor within the Common Areas designated or approved from time to time by Landlord), and to maintain such containers in a healthy, safe, neat and clean condition and in a location so as not to be visible to members of the public shopping in the Shopping Center, and to attend to the daily disposal thereof in the manner designated by Landlord (said trash containers shall be no larger than two and one-half cubic yards in size and shall be on wheels for manageable disposal); to keep all drains inside the Leased Premises clean; to receive and deliver goods and merchandise only in the manner, at such times and in such areas as may be designated by Landlord from time to time; to conform to all rules and regulations that Landlord may from time to time make or promulgate in the management and use of the Shopping Center; and to cause conformance to all such rules and regulations by the agents and employees of Tenant and its assignees and sublessees. If the Leased Premises are used for the sale of food for consumption therein, such as for a restaurant or snack bar, Tenant shall store all trash, refuse and garbage in a garbage storeroom or compartment which Tenant shall install and keep in repair at its sole expense.

(e) Except for repairs required to be performed by Landlord pursuant to Section 7.1, to keep the Leased Premises, including, but not limited to, the security screen or wall (store front), and all fixtures and displays, clean, neat and safe, and in good order, repair and condition (including all necessary painting and decorating) and to keep all glass, including that in windows, doors, fixtures and skylights, clean and in good condition, and to replace any glass that may be damaged or broken with glass of the same quality.

(f) To make all repairs, alterations, additions or replacements to the Leased Premises required by any law or ordinance or any order or regulation of any public authority; to keep the Leased Premises equipped with all safety appliances so required; to produce any licenses and permits required for any use of the Leased Premises by Tenant; and to comply with the orders and regulations of all governmental authorities.

(g) To pay promptly when due the entire cost of any work in the Leased Premises undertaken by Tenant or any of its assignees or sublessees, so that the Leased Premises and the Shopping Center shall at all times be free of liens for labor and materials; to procure all necessary work permits before undertaking such work; to do all of such work in a good and workmanlike manner, employing materials of good quality; to perform such work only with contractors previously approved in writing by Landlord; to perform such work with union labor to the extent and in such manner as to ensure proper maintenance of good labor relationships; to comply with all governmental requirements relating to such work; and to save Landlord and Landlord's beneficiaries and their respective agents, employees, successors and assigns, harmless and indemnified from all injury, loss, claims or damage by any person or property occasioned by or growing out of such work.

(h) To save Landlord and Landlord's beneficiaries and their respective agents, employees, successors and assigns, harmless and indemnified from all injury, loss, claims or damage to any person or property while on the Leased Premises or any other part of the Shopping Center occasioned by any act or omission of Tenant or any of its assignees or sublessees, or anyone claiming by, through or under Tenant or any of its assignees or sublessees.

(i) To maintain, in responsible companies approved by Landlord, public liability insurance insuring Tenant, and further insuring, as additional insureds (on a primary, non-contributory basis) as their interests may appear, Landlord and Landlord's beneficiaries and their respective agents, employees, successors and assigns, and the holders of any notes secured by a first mortgage or trust deed on the Shopping Center and/or the Leased Premises, against all claims, demands or actions for injury to or death of any one person in an amount of not less than \$500,000.00, and for injury to or death of more than one person in any one accident in an amount of not less than \$1,000,000.00, and for damage to property in an amount of not less than \$150,000.00, made by or on behalf of any person, firm or corporation, arising from, related to, or connected with the conduct and operation of Tenant's business in the Leased Premises (Landlord shall have the right to direct Tenant to increase such amounts whenever it considers them inadequate) and, in addition and in like amounts, covering Tenant's contractual liability under the hold harmless clause set forth in subsection 8.1(h) hereof; to carry like coverage against loss or damage by boiler or compressors, if there is a boiler or compressor in the Leased Premises; to maintain plate glass insurance covering all exterior plate glass in the Leased Premises and fire insurance, with such extended coverage endorsements as Landlord may from time to time require, covering all of Tenant's stock-in-trade, fixtures, furniture, furnishings, floor coverings and equipment in the Leased Premises to the extent of at least 80 percent of their replacement cost. All of said insurance shall be in a form, and in responsible companies, satisfactory to Landlord and shall provide that it will not be subject to cancellation, termination or change except after at least thirty (30) days prior written notice to Landlord. The policies or duly executed certificates for the same (which certificates shall evidence the above referenced persons and entities as additional insureds (on a primary, non-contributory basis) and the insurers' respective waivers of subrogation in favor of all such additional insureds), together with satisfactory evidence of the payment of the premiums thereon, shall be deposited with Landlord on the day Tenant begins Tenant's Work, and, upon renewal of such policy, not less than thirty (30) days prior to the expiration of the term of such coverage; and, if Tenant fails to comply with such requirements, Landlord may obtain such insurance and keep the same in effect, and Tenant shall pay Landlord the premium cost thereof, upon demand, as additional rent.

(j) Landlord and Landlord's beneficiaries, and their respective agents and employees, shall not be liable for, and Tenant waives all claims for, damage to person or property sustained by Tenant or any persons claiming through Tenant resulting from any accident or occurrence in or upon the Leased Premises, or the building of which they shall be a part, or any part of the Shopping Center, including, but not limited to, claims for damage resulting from (1) any equipment or appurtenances becoming out of repair, (2) Landlord's failure to keep said building or the Leased Premises in repair, (3) injury done or occasioned by wind, water or other natural element, (4) any defect in, or failure of, plumbing, heating or air conditioning equipment, electric wiring or installation thereof, gas, water and steam pipe, stairs, railings or walks, (5) broken glass, (6) the backing-up of any sewer pipe or downspout, (7) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe or drain or any other pipe or tank in, upon or about such building or Leased Premises, (8) the escape of steam or hot water, (9) water, snow or ice being upon or coming through the roof, skylight, trapdoor, stairs, walks or other places upon or near such building or the Leased Premises or otherwise, (10) the falling of any fixture, plaster or ceiling materials, and/or (11) any act, omission or negligence of co-tenants, or of other persons or occupants of said building or of adjoining or contiguous buildings, or of owners of adjacent or contiguous property, or of Landlord, Landlord's beneficiaries or their respective agents or employees.

(k) To permit Landlord, Landlord's mortgagee and their respective agents and employees, to enter the Leased Premises at reasonable times for the purpose of inspecting the same, of making repairs, additions or alterations thereto or to the building in which the same are located, of shoring the foundations and walls thereof, of erecting scaffolding and/or protective barricades around and about the same, and of showing the Leased Premises to prospective purchasers, lenders and tenants.

(l) To peacefully and quietly vacate the Leased Premises upon the termination of this Lease (whether by lapse of time or otherwise) or the dispossession of Tenant from the Leased Premises (whether by a forcible entry or detainer suit, due to Tenant's default hereunder or abandonment of the Leased Premises or otherwise). Upon such termination or dispossession, Tenant shall (i) remove such of Tenant's goods and effects as are not permanently affixed to the Leased Premises, (ii) remove such alterations and additions to the Leased Premises as Landlord may request, (iii) repair any damage caused by any of the aforesaid removals, and (iv) peaceably yield up the Leased Premises and all alterations and additions thereto (except such as Landlord has requested Tenant to remove), and all fixtures, furnishings, floor coverings and equipment that are permanently affixed to the Leased Premises, which shall thereupon become the property of, and be owned by, Landlord, clean and in good order, repair and condition, damage by fire or other unavoidable casualty excepted. Any goods, effects, trade fixtures or other personal property of Tenant not removed within two (2) days following any such termination or dispossession shall, at Landlord's option, become the property of, and be owned by, Landlord.

(m) If the mortgagee or trustee named in any first mortgage or trust deed now or hereafter placed upon the Shopping Center or any part thereof, or upon any portion or all of the Shopping Center and other property, shall elect, by written notice to Tenant, to subject and subordinate the rights and interests of Tenant under this Lease (in whole or in part) to the lien of its mortgage or trust deed, the rights and interests of Tenant under this Lease shall be so subject

and subordinate, provided that the mortgagee or trustee shall agree, in said notice, to recognize this Lease of Tenant in the event of foreclosure if Tenant is not in default. Any mortgagee or trustee may, in the alternative, elect to give some or all of the rights and interest of Tenant under this Lease priority over the lien of its mortgage or trust deed. The election of such mortgagee or trustee shall be binding upon Tenant, whether this Lease is dated prior or subsequent to the date of said mortgage or trust deed. Tenant shall execute and deliver whatever instruments may be required for such purposes, and, in the event Tenant fails to do so within ten (10) days after demand in writing, Tenant does hereby make, constitute and irrevocably appoint Landlord as its attorney in fact, and in its name, place and stead, so to do.

(n) Intentionally omitted.

(o) To pay to Landlord, as additional rent hereunder, Tenant's pro rata share of all real estate taxes paid by Landlord for the Shopping Center for any calendar year or part thereof included in the Lease Term. Tenant's pro rata share of real estate taxes shall be the ratio of the total floor area of the Leased Premises to the total floor area of all rentable space in the Shopping Center. Tenant's share shall be prorated in the event the Lease Term covers only a part of any calendar year. The term "real estate taxes," as used in this Lease, shall mean all taxes and assessments, general, special and otherwise, levied, assessed or imposed at any time by any governmental authority upon or against the land and/or improvements constituting the Shopping Center, or upon or against any rentals payable by tenants of the Shopping Center to Landlord, either by way of substitution for the taxes and assessments levied, assessed or imposed against such land and/or improvements (other than an income or franchise tax) or in addition thereto, and "real estate taxes" shall further include the amount of any attorneys' fees and expenses incurred by Landlord in contesting real estate taxes or assessments upon or against the aforesaid land, improvements and/or rentals (including, without limitation, assessed valuations, tax rates and other factors affecting the amount of any such taxes or assessments) (but not exceeding the amount of any tax or assessment reduction resulting from any such contest). Tenant shall pay to Landlord in advance monthly installments one-twelfth (1/12th) of the amount reasonably estimated by Landlord to be Tenant's pro rata share of such real estate taxes and assessments applicable to the Shopping Center, commencing on the first day of the calendar month next succeeding the Commencement Date, and this covenant shall survive the expiration or earlier termination of the Lease Term. Within 90 days after Landlord's receipt of the final bill for each calendar year included in whole or in part within the Lease Term, Landlord shall compute the actual amount of Tenant's pro rata share of the foregoing charges for such calendar year and furnish to Tenant a statement in reasonable detail. Within 30 days thereafter, there shall be a settlement between Landlord and Tenant with payment to Landlord, or credit to Tenant, as the case may be, so that Tenant's actual payments shall be equal to Tenant's pro rata share of such charges for such calendar year and no more.

(p) To remain fully obligated under this Lease notwithstanding any assignment or sublease or any indulgence granted by Landlord to Tenant or to any assignee or sublessee.

(q) To promptly furnish to Landlord, whenever requested, financial statements reflecting Tenant's current financial condition.

(r) To give Landlord prompt written notice of any accident, fire or damage occurring on or to the Leased Premises or the Common Areas of which Tenant has knowledge.

(s) To pay on demand Landlord's costs and expenses, including, without limitation, reasonable attorneys' fees and court costs, incurred in enforcing any obligation of Tenant under this Lease and/or on account of any default by Tenant under this Lease, including, without limitation, any default by Tenant as provided in Section 10.1, Section 10.3 or elsewhere in this Lease, and/or in defending or participating in any legal proceedings initiated by, or on behalf of, Tenant or any of its assignees or sublessees wherein Landlord is not found to be in default hereunder.

(t) To furnish, maintain and provide, at Tenant's sole cost and expense, the following insurance coverage for the benefit of Landlord and Tenant, during the entire term of the Lease, if applicable: liquor liability insurance insuring against claims for personal injury, loss of means of support, death and property damage caused by the intoxication of any person who was either sold or given alcoholic beverages on or about Tenant's premises. The limitation of liability shall not be less than \$1,000,000 (Landlord shall have the right to direct Tenant to increase such amount whenever it considers such amount inadequate), and such insurance shall name as insured Landlord, Landlord's beneficiaries and their respective employees and agents, Tenant and the holders of any notes secured by a first mortgage or trust deed on the Shopping Center and/or the Leased Premises, as their interests may appear. Such policy may be a blanket policy covering other locations, and evidence of such insurance shall be delivered to Landlord upon demand. If Tenant fails to obtain such insurance or to maintain same in effect or to furnish Landlord with such evidence, Landlord shall have the right to obtain such insurance and to add the cost thereof to the rent then due or becoming due hereunder.

(u) To pay, as additional rent, all sums and amounts (other than Minimum Rent) that, by the terms of this Lease, are owing from Tenant to Landlord.

(v) Promptly upon the completion of Tenant's Work or any other alteration, addition or improvement to the Leased Premises, including, without limitation, any Tenant's Work or other alteration, addition or improvement affecting the building structure, HVAC or other building systems serving the Leased Premises, to provide to Landlord, in both pdf format and CAD drawing in DWG format, as-built plans and specifications for such Tenant's Work, alteration, addition or improvement.

8.2 Negative Covenants. Tenant covenants at all times during the Lease Term and during any other time that Tenant occupies the Leased Premises or any part thereof:

(a) Not to injure, overload, deface or otherwise harm the Leased Premises; or commit any nuisance; or unreasonably annoy owners or occupants of neighboring property; or use the Leased Premises for any extra-hazardous purpose or in any manner that will suspend, void or make inoperative any policy or policies of insurance at any time carried on any improvements within the Shopping Center, or in any manner that will increase the cost of any of Landlord's insurance; or burn any trash or refuse within the Shopping Center; or sell, distribute or give away any product that tends to create a nuisance in the Common Areas; or make any use of the Leased Premises that is improper, offensive or contrary to any law or ordinance or any

regulation of any governmental authority; or conduct or permit any going-out-of business, bankruptcy, fire or auction sales on the Leased Premises; or use any advertising medium that might be annoying, such as: hand bills, flashing lights, searchlights, loudspeakers, phonographs, sound amplifiers or radio or television receiving equipment; or use any advertising medium in a manner to be seen or heard outside the Leased Premises; or load, unload or park any truck or other delivery vehicle in any area of the Shopping Center other than the area or areas designated therefor by Landlord; or use any sidewalks, walkways, malls or common areas in the Shopping Center for the storage or disposal of trash or refuse or the selling or displaying of any merchandise or other object, including, but not by way of limitation, the use of any of the foregoing for any news stand, cigar stand, sidewalk shop or any other business occupation or undertaking (such latter uses being reserved to Landlord and its designees); or place any fence, structure, barricade, building, improvement, division, rail or obstruction of any type or kind on any part of the Common Areas; or use the Common Areas for any purpose other than the use designated by Landlord; or install or use any sign or other advertising device on the exterior of the Leased Premises other than a store identifying sign approved by Landlord; or use or permit the use of any portion of the Leased Premises as living quarters, sleeping apartments or lodging rooms; or do any act intended to injure the reputation of the Shopping Center.

(b) Not to make any alterations or additions, or permit the making of any holes in walls, partitions, ceilings or floors, or permit the painting or placing of any exterior signs, placards or other advertising media, awnings, aerials, antennas, or the like, without on each occasion obtaining the prior written consent of Landlord (and, in any event, all fascia signs shall include individual letters, it being agreed that box signs will not be permitted on the Leased Premises). Relative to the foregoing, Landlord and Tenant agree that Tenant shall be entitled to install its panel on the existing pylon sign of the Shopping Center in the space reserved for "Medical" as shown on Exhibit "D" attached hereto and made a part hereof. Tenant's aforesaid panel shall at all times comply with all applicable laws, codes and ordinances and shall, at Tenant's expense, be kept in good condition and repair and be immediately removed upon the expiration or earlier termination of this Lease.

(c) Not to assign, sell, mortgage, pledge or in any manner transfer this Lease or grant any interest herein, by operation of law or otherwise, or sublet or grant license to use the Leased Premises or any part or parts thereof, or permit occupancy thereof by anyone with, through or under it without Landlord's prior written consent. Landlord's consent shall not be unreasonably withheld.

(d) Not to suffer any mechanic's lien to be filed against the Leased Premises, or any other portion of the Shopping Center, by reason of any work, labor, service or materials performed at, or furnished to, the Leased Premises for Tenant, or for anyone holding the Leased Premises through or under Tenant. If any such mechanic's lien shall at any time be filed, Tenant shall forthwith cause the same to be discharged of record by payment, bond, order of a court of competent jurisdiction, or otherwise, but Tenant shall have the right to contest any and all such liens, provided security deposit satisfactory to Landlord is deposited with Landlord. If Tenant shall fail to cause such lien to be discharged within thirty (30) days after being notified of the filing thereof, or, if earlier, by the date any such lien is scheduled to be enforced by sale, then, in addition to any other right or remedy of Landlord, Landlord may, but shall not be obligated to, discharge the same by paying the amount claimed to be due or by bonding or other proceeding

deemed appropriate by Landlord, and the amount so paid by Landlord and/or all costs and expenses, including, without limitation, reasonable attorneys' fees and court costs, incurred by Landlord in procuring the discharge of such lien, shall be deemed to be additional rent and, together with interest thereon as provided in Section 10.3, shall be due and payable by Tenant to Landlord on the first day of the next following month. Nothing in this Lease contained shall be construed as a consent on the part of Landlord to subject Landlord's estate in the Leased Premises or the Shopping Center to any lien or liability under the Mechanic's Lien Law of the State in which the Shopping Center is located.

ARTICLE IX

DAMAGE, DESTRUCTION AND EMINENT DOMAIN.

9.1 Fire, Explosion or Other Casualty. In the event the Leased Premises are damaged by fire, explosion or any other casualty to an extent that is less than 50% of the cost of replacement of the Leased Premises, the damage shall be repaired promptly by Landlord at Landlord's expense, provided that Landlord shall not be obligated so to repair if such fire, explosion or other casualty is caused, directly or indirectly, by the negligence of Tenant, its agents or employees, and provided further that Landlord shall not be obligated to expend for such repair an amount in excess of the insurance proceeds recovered or recoverable as a result of such damage, and that in no event shall Landlord be required to repair or replace Tenant's stock in trade, fixtures, furniture, furnishings, floor coverings and equipment. In the event of any such damage, and (a) Landlord is not required to repair as hereinabove provided, (b) the Leased Premises shall be damaged to the extent of 50 percent or more of the cost of replacement, or (c) the building of which the Leased Premises is a part is damaged to the extent of 25 percent or more of the cost of replacement, or (d) all buildings (taken in aggregate) in the Shopping Center shall be damaged to the extent of more than 25 percent of the aggregate cost of replacement, Landlord may elect either to repair or rebuild the Leased Premises or the building or buildings or to terminate this Lease upon giving notice of such election to Tenant within 90 days after the occurrence of the event causing the damage. If the casualty, repairing or rebuilding shall render the Leased Premises untenantable, in whole or in part, and the damage shall not have been due to the default or neglect of Tenant, a proportionate abatement of the Minimum Rent shall be allowed from the date when the damage occurred until the date Landlord completes the repairing or rebuilding (except for punch list work), said proportion to be computed on the basis of the relation that the gross square footage area of the space rendered untenantable bears to the Floor Area of the Leased Premises. If Landlord is required or elects to repair the Leased Premises as herein provided, Tenant shall repair or replace its stock in trade, fixtures, furniture, furnishings, floor coverings and equipment, and, if Tenant has closed for business, Tenant shall promptly re-open for business upon the completion of such repairs.

9.2 Eminent Domain. If the whole of the Leased Premises shall be taken by any public authority under the power of eminent domain, the Lease Term shall cease as of the day possession shall be taken by such public authority, and Tenant shall pay rent up to that date with an appropriate refund by Landlord of any rent that has been paid in advance for a period subsequent to the date possession is taken. If 25 percent or less of the Floor Area of the Leased Premises shall be so taken, the Lease Term shall cease only on the parts so taken as of the day possession shall be so taken by such public authority, and Tenant shall pay rent up to that day

with an appropriate refund by Landlord of any rent that has been paid in advance for a period subsequent to the date possession is so taken, and thereafter the Minimum Rent shall be adjusted equitably. Landlord shall at its expense make all necessary repairs or alterations to the basic building and exterior thereof so as to constitute the remaining premises a complete architectural unit; provided, that Landlord shall not be obligated to undertake any such repairs or alterations if the total estimated cost thereof will exceed the amount of the award with respect to the Leased Premises. If more than 25 percent of the Floor Area of the Leased Premises shall be so taken, then, the Lease Term shall cease only on the part so taken from the day possession shall be taken by such authority, and Tenant shall pay rent up to that day with an appropriate refund by Landlord of any rent that has been paid in advance for a period subsequent to the date possession is so taken, and either party shall have the right to terminate this Lease upon notice in writing within ten days after taking of possession. In the event Tenant remains in possession, and Landlord does not so terminate, all of the terms herein provided shall continue in effect, except that the Minimum Rent shall be abated equitably, and Landlord shall make all necessary repairs or alterations to the basic building and exterior thereof so as to constitute the remaining premises a complete architectural unit; provided, that Landlord shall not be obligated to undertake any such repairs or alterations if the estimated cost thereof will exceed the amount of the award with respect to the Leased Premises. If more than 25 percent of the Floor Area of the building in which the Leased Premises are located, or more than 25 percent of the aggregate floor area of all the buildings in the Shopping Center, shall be taken under the power of eminent domain, Landlord may, by notice in writing to Tenant, delivered on or before the day of surrendering possession to the public authority, terminate this Lease, and rent shall be paid or refunded as of the date of termination. All compensation awarded for any taking under the power of eminent domain, whether for the whole or a part of the Leased Premises, shall be the property of Landlord, whether such damages shall be awarded as compensation for diminution in the value of the leasehold or to the fee of the Leased Premises or otherwise, and Tenant hereby assigns to Landlord all of Tenant's rights, title and interest in and to any and all such compensation provided, however, that Landlord shall not be entitled to any award made expressly to Tenant for the taking of Tenant's trade fixtures, furniture or leasehold improvements to the extent of the cost to Tenant of said improvement (exclusive of Landlord's contribution) less depreciation computed from the date of said improvements to the expiration of the original term of this Lease.

ARTICLE X

DEFAULTS BY TENANT AND REMEDIES.

10.1 Defaults By Tenant. Landlord may, at its option, terminate this Lease if any default by Tenant continues after notice, in case of non-payment of rent or any other payment provided to be made hereunder for more than five (5) days, or in case of any other default that Tenant does not cure within fifteen (15) days; or if Tenant makes any assignment for the benefit of creditors, commits any act of bankruptcy, or files a petition under any bankruptcy or insolvency law; or if such a petition is filed against Tenant and is not dismissed within thirty (30) days; or if Tenant does not pay, after demand, any other liability to Landlord arising out of, or in connection with, the construction or operation of the Shopping Center; or if Tenant falsifies any monetary report to Landlord; or if a receiver or similar officer becomes entitled to this leasehold; or if Tenant's interest in this Lease is taken on execution or other process of law in any action against Tenant; or if Tenant does, or permits to be done, any act that creates a mechanic's lien or

claim thereof against the Leased Premises or the Shopping Center and Tenant does not comply with the provisions of Section 8.2(d). Upon such termination of this Lease, Landlord may re-enter the Leased Premises, with or without process of law, using such force as may be necessary, and remove all persons, fixtures and chattels therefrom, and Landlord shall not be liable for any damages resulting therefrom; Landlord, upon such repossession of the Leased Premises, shall be entitled to recover, as liquidated damages and not as a penalty, a sum of money equal to the value of the Minimum Rent and other sums provided herein to be paid by Tenant for the remainder of the Lease Term. Upon the happening of any one or more of the above-mentioned events, Landlord may repossess the Leased Premises by forcible entry or detainer suit, or otherwise, without demand or notice of any kind to Tenant (except as hereinabove expressly provided for) and without terminating this Lease, in which event Landlord may, but shall be under no obligation so to do, relet all or any part of the Leased Premises for such rent and upon such terms as shall be satisfactory to Landlord (including the right to relet the Leased Premises for a term greater or lesser than that remaining under the Lease Term, and the right to relet the Leased Premises as a part of a larger area, and the right to change the character or use made of the Leased Premises). Landlord may, for the purpose of such reletting, decorate and make any repairs, changes, alterations and additions in or to the Leased Premises that it may deem necessary or convenient. If Landlord does not relet the Leased Premises, Tenant shall pay to Landlord, on demand, as liquidated damages and not as a penalty, a sum equal to the amount of the Minimum Rent and other sums provided herein to be paid by Tenant for the remainder of the Lease Term. If the Leased Premises are relet and a sufficient sum shall not be realized from such reletting, after paying all of the expenses of such decorations, repairs, changes, alterations and additions and all other expenses of such reletting and after crediting any rents collected from such reletting, to satisfy the total rent herein provided to be paid for the remainder of the Lease Term, Tenant shall pay to Landlord, on demand, any deficiency; and Tenant agrees that Landlord may, from time to time, file suit to recover any sums falling due under the terms of this Section. Landlord is hereby given a first lien upon all property of Tenant, including, but not limited to, all trade fixtures, that shall come in or be placed upon the Leased Premises, and whether acquired by Tenant before or after the date hereof, to secure the payment of rent and the performance of each and every other covenant herein contained to be performed by Tenant. The rights and remedies herein contained and reserved to Landlord shall not be considered as exclusive of any other right or remedy of Landlord, but shall be construed as cumulative and shall be in addition to every other right or remedy now or hereafter existing at law, in equity or by statute.

10.2 Holdover By Tenant. In the event Tenant remains in possession of the Leased Premises after expiration or termination of the tenancy created hereunder, and without the execution of a new lease, Tenant, at the option of Landlord, shall be deemed to be occupying the Leased Premises as a tenant from month-to-month, at twice the Minimum Rent and twice all the other charges due hereunder, and subject to all of the other conditions, provisions and obligations of this Lease insofar as the same are applicable to a month-to-month tenancy.

10.3 Landlord's Right To Cure Defaults. Landlord may, but shall not be obligated to, cure at any time, without notice, any default by Tenant under this Lease and, whenever Landlord so elects, all costs and expenses thereby incurred by Landlord, including, without limitation, reasonable attorneys' fees and court costs, together with interest on the amount of any costs and expenses so incurred at the rate of 18 percent per annum, shall be due and payable by Tenant to Landlord on demand.

10.4 Effect of Waivers of Default. No consent by Landlord to, or waiver by Landlord of, any breach of any covenant, condition or duty of Tenant, whether such consent or waiver be expressed or implied, shall be construed as a consent to or waiver of any other breach of the same or any other covenant, condition or duty.

ARTICLE XI

OPTION TO EXTEND LEASE TERM AND ADJUSTED MINIMUM RENT.

11.1 Option to Extend Lease Term. Landlord grants Tenant an option to extend the Lease Term for two (2) "Renewal Terms" of five (5) years each. During the first and each subsequent year of each Renewal Term, the annual Minimum Rent shall increase by two and one-half percent (2.5%) per annum over the annual Minimum Rent that was in effect as of the end of the preceding year, but, in all other respects, the provisions and terms hereof shall apply to such Renewal Terms. In the event Tenant elects to extend this Lease for any Renewal Term pursuant to this Section 11.1, Tenant shall give written notice to Landlord no later than 250 days prior to the commencement date for the Renewal Term with respect to which such option is being exercised by Tenant. Notwithstanding the foregoing or anything to the contrary contained in this Article XI or elsewhere in this Lease, it shall be a condition to Tenant's right to extend the Lease Term for a Renewal Term, and to the effectiveness of any election by Tenant to extend the Lease Term, that Tenant not be in default under this Lease at the time of its aforesaid notice of election or during the period from the date of such notice through the commencement of the applicable Renewal Term.

ARTICLE XII

MISCELLANEOUS PROVISIONS.

12.1 Mutual Waiver of Subrogation Rights. Whenever (a) any loss, cost, damage or expense resulting from fire, explosion or any other casualty or occurrence is incurred by either of the parties to this Lease in connection with the Leased Premises or the building in which the Leased Premises are located, and (b) such party is then covered, in whole or in part, by insurance with respect to such loss, cost, damage or expense, then the party so insured hereby releases the other party from any liability it may have on account of such loss, cost, damage or expense to the extent of any amount recovered by reason of such insurance, and waives any right of subrogation that might otherwise exist in, or accrue to, any person on account thereof, provided that such release of liability and waiver of the right of subrogation shall not be operative in any case where the effect thereof is to invalidate such insurance coverage or increase the cost thereof (provided that, in the case of increased cost, the other party shall have the right, within thirty (30) days following written notice, to pay such increased cost, thereupon keeping such release and waiver in full force and effect). Notwithstanding the foregoing provisions of this Section 12.1 or anything to the contrary contained in Article V, Section 7.1, Section 8.1 or elsewhere in this Lease, in the event of any damage to or destruction of any exterior glass of, or any exterior door to, or any air conditioning unit serving, the Leased Premises or any hardware or other component of any such exterior door or air conditioning unit, whether or not such damage or destruction is covered by any insurance policy maintained, or that is required to be maintained, by Landlord, (i) Tenant, not Landlord, shall be responsible, at its cost, for the prompt repair and/or replacement

of any such exterior glass, exterior door, air conditioning unit or exterior door or air conditioning unit component and (ii) neither Landlord nor any of its insurers shall bear any of such cost.

12.2 Notices From One Party To The Other. All notices, demands and requests required or permitted under this Lease shall be in writing. All notices, demands and requests shall be deemed to have been properly given when served personally or deposited in a Post Office or branch Post Office regularly maintained by the United States Government, Certified Mail - Return Receipt Requested - with postage prepaid, addressed to Landlord at the address appearing in Section 1.1(a) and addressed to Tenant at the address of Tenant appearing in Section 1.1(b). At any time when Tenant's interest herein shall be vested in more than one person, firm or corporation, notice shall be conclusively deemed to have been given to all such persons, firms and corporations. Any notice, demand or request given by Tenant to Landlord shall be ineffective unless all such persons, firms or corporations shall have previously given notice to Landlord, signed by each of them, designating one or more of them to give the notice, demand or request referred to.

12.3 Brokerage. Tenant warrants that it has had no dealings with any broker or agent in connection with this Lease other than Landlord's broker, if any, and covenants to pay, hold harmless and indemnify Landlord from and against any and all cost, expense or liability for any compensation, commissions and charges claimed by any other broker or agent with respect to this Lease or the negotiation thereof.

12.4 Relationship of the Parties. Nothing contained herein shall be deemed or construed by the parties, or by any third party, as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of computation of rent nor any other provision contained herein, nor any acts of the parties hereto shall be deemed to create any relationship between the parties hereto other than the relationship of Landlord and Tenant. Whenever herein the singular number is used, the same shall include the plural, and the neuter gender shall include the masculine and feminine genders.

12.5 Estoppel Certificates. At any time and from time to time, Tenant agrees, upon request in writing from Landlord, to execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the same is in full force and effect as modified and stating the modifications), the dates to which the Minimum Rent and other charges have been paid, and any other factual data relating to this Lease or the Leased Premises that Landlord may request.

12.6 Short Form Lease. Tenant agrees not to record this Lease, and Landlord and Tenant agree to execute, acknowledge and deliver, if either party shall so request, a "Short Form Lease" suitable for recording.

12.7 Interest on Unpaid Amounts; NSF Checks. All amounts owed by Tenant to Landlord hereunder shall be deemed to be additional rent and shall, unless otherwise provided herein, be paid within ten (10) days from the date Landlord renders a statement of account thereof. All amounts (including Minimum Rent) shall bear interest from the date due until the date paid at the rate of 18% per annum. In addition, Tenant shall reimburse Landlord, upon

demand by Landlord, for any charges incurred by Landlord as a result of any payment by Tenant being returned unpaid by Tenant's bank due to insufficient funds (NSF); returned check charges are in addition to late charges and any interest charged on overdue amounts.

12.8 Applicable Law and Construction. The laws of the State in which the Shopping Center is located shall govern the validity, performance and enforcement of this Lease. The invalidity or unenforceability of any provision of this Lease shall not affect or impair any other provision. The headings of the several Articles and Sections contained herein are for convenience only and do not define, limit or construe the contents of such Articles or Sections.

12.9 Delays. Whenever a period of time is provided in this Lease for Landlord to do or perform any act or thing, Landlord shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other causes beyond the reasonable control of Landlord, and the time for performance specified herein shall be extended for the amount of time Landlord is so delayed.

12.10 Execution of Lease by Landlord and Tenant. Except as stated in this Lease, no employee or agent of Landlord or of Landlord's broker, if any, has the authority to make or execute a lease or any other agreement or undertaking in connection herewith. The submission of this document for examination and negotiation does not constitute an offer to lease, or a reservation of, or option for, the Leased Premises, and this document shall become effective and binding only upon execution and delivery by Landlord and Tenant. All negotiations, considerations, representations and understandings between Landlord and Tenant are incorporated herein and may be modified or altered only by agreement in writing between Landlord and Tenant, and no act or omission of any employee or agent of Landlord, or of Landlord's broker, if any, shall alter, change or modify any of the provisions hereof.

12.11 Binding Effect of Lease; Assignment by Landlord. The covenants, agreements and obligations herein contained, except as herein otherwise specifically provided, shall extend to, bind and inure to the benefit of the parties hereto and their respective personal representatives, heirs, successors and assigns. Landlord, at any time and from time to time, may make an assignment of its interest in this Lease and, in the event of such assignment and the assumption by the assignee of the covenants and agreements to be performed by Landlord herein, Landlord and its successors and assigns (other than the assignee of this Lease) shall be released from any and all liability hereunder.

12.12 Joint and Several Liability of Tenant. If there is more than one party tenant, the covenants of Tenant shall be the joint and several obligations of each party, and if Tenant is a partnership, the covenants of Tenant shall be the joint and several obligations of each of the general partners of such partnership and of such partnership.

12.13 Confession of Judgment. Tenant hereby irrevocably constitutes and appoints any attorney of any court of record in this State, to be Tenant's true and lawful attorney, for Tenant and in Tenant's name and stead, to enter Tenant's appearance in any suit or suits that may be brought in any court of this State at any time when any money is due hereunder for rent or otherwise, to waive the issuance of process and service thereof and trial by jury or otherwise, and to confess a judgment or judgments for such money so due and for costs of suit and for

reasonable attorneys' fees in favor of Landlord, and to release all errors that may occur or intervene in such proceedings, including, without limitation, the issuance of execution upon such judgment, and to stipulate that no writ of error or appeal shall be prosecuted from such judgment or judgments, or any bill in equity filed, or any proceedings of any kind taken in law or equity to interfere in any way with the operation of such judgment or judgments or of execution issued thereon and to consent that execution may immediately issue thereon.

12.14 Cancellation. If any lending institution shall require a change in this Lease as a condition to extending financing on the security of the Shopping Center and/or if Landlord determines that this Lease materially interferes with Landlord's ability to obtain desired financing secured by the Shopping Center, Landlord may terminate this Lease upon 90 days advance notice to Tenant, in which event Landlord shall reimburse Tenant for the unamortized cost of all Tenant's improvements to the Leased Premises and expenses of moving Tenant's stock and trade fixtures to a destination up to 25 miles from the Shopping Center.

12.15 Counterparts. This Lease may be executed in one or more counterparts, but all such counterparts shall be one and the same single instrument.

12.16 Limitation on Liability. Notwithstanding any provision in this Lease to the contrary, Tenant agrees to look solely to the interest of Landlord in the Shopping Center and any rents derived therefrom for the satisfaction of any damages or other obligations, liabilities or indebtedness of Landlord to Tenant arising under this Lease. Without limitation of the foregoing, neither Landlord nor any of its beneficiaries, trustees, partners, members, managers, directors, officers, employees, agents or representatives shall have any personal obligation or liability for any such damages, obligations, liabilities or indebtedness beyond Landlord's interest in the Shopping Center or rents derived therefrom.

12.17 Waiver of Jury Trial. **TO THE MAXIMUM EXTENT PERMITTED BY LAW, LANDLORD AND TENANT HEREBY KNOWINGLY AND INTENTIONALLY AGREE THAT ANY DISPUTE, CLAIM OR OTHER CONTROVERSY ARISING PURSUANT TO THIS LEASE OR IN CONNECTION HERewith SHALL BE TRIED WITHOUT A JURY, BY JUDGE ALONE, BEFORE A COURT OF COMPETENT JURISDICTION, IN THE STATE OF ILLINOIS, AND EACH OF LANDLORD AND TENANT HEREBY KNOWINGLY AND INTENTIONALLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESPECT TO ANY OF THE AFORESAID DISPUTES, CLAIMS OR CONTROVERSIES.**

12.18 Survival. Upon the expiration or termination of this Lease, all obligations of Tenant relative to payment of rent (including, without limitation, the rents described in Section 1.5 hereof), or any other amount owing under this Lease, that have accrued on or prior to the expiration or termination of this Lease, and any other obligations of Landlord or Tenant that, by their nature, arise after the expiration or termination of this Lease (e.g., indemnification obligations relative to actions during the Lease Term and obligations of Tenant relative to removal of its property from the Leased Premises and repair of any damage caused thereby), shall survive such expiration or termination.

12.19 Certificate of Need. Landlord and Tenant understand and agree that the establishment of any chronic outpatient dialysis facility in the State of Illinois is subject to the requirements of the Illinois Health Facilities Planning Act, 20 ILCS 3960/1 et seq. and, thus, Tenant cannot establish a dialysis facility on the Leased Premises or execute a binding real estate lease in connection therewith unless Tenant obtains a Certificate of Need (a "CON") permit from the Illinois Health Facilities and Services Review Board (the "HFSRB"). Based on the length of the HFSRB review process, Tenant does not expect to receive a CON permit prior to April 21, 2018. In light of the foregoing facts, the parties agree that they have executed this Lease prior to approval of the CON permit, but this Lease shall not be binding on either party prior to approval of the CON permit and shall not be effective prior to CON permit approval. Assuming CON approval is granted, the effective date of this Lease shall be the date of the CON permit approval. In the event that the HFSRB does not award Tenant a CON permit to establish a dialysis center on the Leased Premises by April 21, 2018, neither party shall have any further obligation to the other party under this Lease and this Lease shall for all purposes be terminated and of no force or effect.

THIS GUARANTY OF LEASE (this guaranty, as it may be amended, restated, replaced or otherwise modified from time to time, the "Guaranty"), dated as of _____, 20____, by and from Dialysis Care Center Holdings, LLC, a _____ limited liability company, having an address at _____ ("Guarantor"), with respect to that certain Lease dated as of _____, 20____ (as it may be amended, restated, replaced or otherwise modified from time to time, the "Lease"), between Hazel Property Group, L.L.C., an Illinois limited liability company ("Landlord"), and Dialysis Care Center Hazel Crest, LLC, an Illinois limited liability company ("Tenant"), covering the Leased Premises (as defined in the Lease) located in Hazel Crest, Illinois identified therein (the "Premises").

WHEREAS, Guarantor desires, and Landlord requires, that this agreement be furnished so that Guarantor, being obligated to do so, can fulfill the terms and conditions of the Lease with respect to the Premises with the same effect as if the Lease had been entered into with Guarantor as the tenant thereunder.

NOW, THEREFORE, in consideration and recognition of the execution of the Lease, and other good and valuable consideration and intending to be legally bound hereby, Guarantor hereby unconditionally guarantees, and unconditionally becomes surety to Landlord, its successors and assigns, for the payment of all rent, additional charges and other sums owing under the Lease, and the full, faithful and punctual performance of each and all of the covenants, agreements and conditions of the Lease to be kept and performed by Tenant, in each case in accordance with and within the times prescribed by the Lease, as well as all other liabilities now or hereafter contracted by Tenant with Landlord pursuant to the Lease and together, to the extent the same are chargeable to Tenant under the Lease, with all costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by Landlord in connection with any of the foregoing and/or in connection with the enforcement of Landlord's rights against Tenant or Guarantor (all of the foregoing being hereinafter collectively referred to as the "Liabilities"). In the event Tenant fails to pay, perform or observe, as applicable, any of the Liabilities, and such failure is not cured within the cure period, if any, provided to Tenant by the terms of the Lease, an Event of Default shall be deemed to have occurred under this Guaranty. Guarantor agrees that it shall be obligated to keep itself informed as to the status of Tenant's payment, performance and observance of the Liabilities and that Landlord shall not be obligated to give Guarantor, and Guarantor shall not be entitled to, notice of any failure by Tenant to pay, perform or observe, as applicable, any of the Liabilities, provided, however, that Landlord agrees to accept the cure of any such failure, on or prior to the expiration of the cure period, if any, provided to Tenant by the terms of the Lease, by either Tenant or Guarantor.

Guarantor further agrees as follows:

1. Landlord shall have the right from time to time, and at any time in its sole discretion, without notice to or consent from Guarantor, and without affecting, impairing, or discharging in whole or in part, the Liabilities of Guarantor hereunder: to modify, change, extend, alter, amend or supplement in any respect whatsoever, any agreement or transaction between Landlord and Tenant or between Landlord and any other party liable for the Liabilities, or any portion or provision thereof; to grant extensions of time and other indulgences of any kind to Tenant; to compromise, release, substitute, exercise, enforce or fail or refuse to exercise or enforce any claims, rights or remedies of any kind which Landlord may have at any time against Tenant or any other party liable for the

Liabilities, or any thereof, or with respect to any security of any kind held by Landlord at any time under any agreement or otherwise. The Liabilities of Guarantor shall not be affected, impaired or discharged, in whole or in part, by reason of payments by Tenant of all or a portion of the Liabilities, to the extent such payments shall be turned over as "voidable preferences" or otherwise required to be refunded or disgorged, or by reason of any action whatsoever taken by Landlord with respect to any security in which Landlord may at any time have any interest or against any other party liable for all or any part of the Liabilities.

2. Guarantor waives: (a) all notices, including but not limited to (i) notice of acceptance of this Guaranty, (ii) notice of presentment, demand for payment, or protest of any of the Liabilities, or the obligation of any person, firm or corporation held by Landlord as collateral security, and (iii) notice of any failure by Tenant to pay, perform or observe, as applicable, any of the Liabilities or of any Event of Default (as defined in the Lease); (b) all defenses, offsets and counterclaims which Guarantor may at any time have to any of the Liabilities, except to the extent the same is a valid defense, offset or counterclaim on the part of Tenant; and (c) all notices of the financial condition or of any adverse or other change in the financial condition of Tenant.

3. Landlord may, without notice, assign this Guaranty in whole or in part, and no assignment or transfer of the Lease or subletting of the Premises shall operate to extinguish or diminish the liability of Guarantor hereunder.

4. The liability of Guarantor under this Guaranty shall be primary with respect to any right of action which shall accrue to Landlord under the Lease, and Landlord may, at its option, proceed against Guarantor without having to commence any action, or having obtained any judgment, against Tenant.

5. The Liabilities of Guarantor shall not be affected, impaired or discharged, in whole or in part, by reason of: (a) the entry of an order for relief pursuant to the United States Bankruptcy Code by or against Tenant; (b) the proposal of or the consummation of a plan of reorganization concerning Tenant; (c) the assignment of Tenant's obligations under the Lease or any other or further sublease of any portion of the Premises, whether or not any such assignment or sublease is permitted under the Lease; or (d) except by reason of actual payment and performance of Tenant's obligations under the Lease, the discharge of the obligations of Tenant to Landlord.

6. The waiver of any right by Landlord or its failure to exercise promptly any right shall not be construed as the waiver of any other right including the right to exercise the same at any time thereafter. No waiver or modification of any of the terms or conditions of this Guaranty shall be binding against Landlord unless such waiver or modification is in a writing signed by Landlord.

7. The liability of Guarantor shall bind the respective representatives, successors and assigns of Guarantor and shall inure to the benefit of Landlord, its successors and assigns.

8. This Guaranty shall be governed by, and construed in accordance with, the laws of the State of Illinois without reference to the choice of law principles thereof. Guarantor hereby agrees to submit to the jurisdiction of any court of general jurisdiction sitting in the State of Illinois.

9. All notices, demands, requests, consents, approvals and other communications hereunder shall be in writing and delivered or mailed (by registered or certified mail, return receipt

requested, or reputable nationally recognized overnight courier service and postage prepaid), addressed to the respective parties, as follows:

(a) if to Guarantor:

Chicago, Illinois 60606
Attention: George D. Hanus, President

or to such other address as either party may hereunder designate, and shall be effective upon receipt.

10. Guarantor represents and warrants to Landlord that Guarantor has guaranteed all of the dialysis care center leases that have heretofore been entered into by Asim Shazzad or any of his affiliated entities.

IN WITNESS WHEREOF, Guarantor has caused this Guaranty to be executed and sealed as of the day and year first above written.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

BACKGROUND OF THE APPLICANT

The Applicants are fit, willing and able, and have the qualifications, background and character to adequately provide a proper standard of health care services for the community. This project is for the establishment of Dialysis Care Center Hazel Crest, 12-station in-center hemodialysis facility to be located at 18325 Pulaski Ave Unit A-B, Hazel Crest, IL, 60429.

Dialysis Care Center Hazel Crest and Dialysis Care Center Holdings is 100% physician owned and operated. The two physicians below equally own the entities.

1. Morufu Alausa M.D.
2. Sameer M. Shafi M.D.

Both aforementioned physicians have earned recognition with America's Best Physicians for their excellence in providing care for ESRD patients and innovative contributions to the nephrology community overall.

Dialysis Care Center focuses on a 360-degree approach to improving patient health outcomes and providing a medical home for ESRD patients. Included in this care approach is an emphasis on one-on-one attention from our qualified medical staff and a cutting-edge educational program, known as Staff Enhanced Hemodialysis (SEH).

One-on-one attention from our CCHT and BONENT certified technicians and experienced dialysis nurses is achieved through maintaining facilities that have a lower number of stations. Such facilities create an environment for our medical staff to adequately and efficiently monitor patients throughout the entire hemodialysis treatment process. Additionally, such an atmosphere facilitates the creation of quality patient-provider relationships, contributing to construction of a medical home for ESRD patients.

Our continuing educational program, SEH, gives our medical staff, namely, our Clinical Certified Hemodialysis Technicians (CCHTs), more opportunity to connect with patients who visit our facilities for treatment. The program, which covers topics such as fluid management, vascular access management, anemia management, depression, dialysis adequacy and nutrition, is facilitated by our CCHTs, further allowing them to create these meaningful, improved outcome-driving relationships. Of course, this program also empowers patients with critical knowledge to help them better manage of their health, thus reducing hospitalizations and morbidity and mortality.

Attachment-11

With ESRD being the fastest growing cause of hospitalizations and the fifth leading cause of hospital readmissions, our care model additionally has carefully built-in patient interventions to reduce hospitalizations overall. Dialysis Care Center has been recognized by surrounding local hospitals in providing an excellent continuum of care to patients.

Dialysis Care Center provides:

- multiple physician visits within 30 days post-hospitalization,
- 100% medication reconciliation upon hospital discharge,
- renowned and open communication between our nursing/medical staff and hospital discharge planners,
- continuation of antibiotics and other hospital infusive therapies.

The addition of such interventions in Dialysis Care Center's in-center hemodialysis program have been shown to contribute to a strong, consistent, and community-based continuum of care.

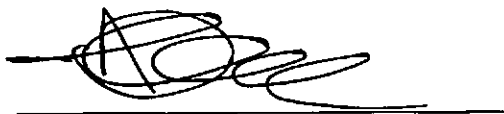

Consistency is also implemented internally at Dialysis Care Center, using Clarity, an electronic health record (EHR) created specifically for dialysis clinics. Clarity allows all our medical staff an open line of communication regarding real-time progress to efficiently address patient needs.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

Purpose of the project

The purpose of this project is to create additional life-sustaining dialysis accessibility to the large, growing population of ESRD patients in the HSA 7 market area specifically Hazel Crest and Cook County residents. This project will address the current State Board-determined need for additional hemodialysis stations needed in planning area, HSA 7.

The only two dialysis facilities in Hazel Crest are both currently operating at a very high utilization, both above the state standard utilization rates. The only two ESRD Facilities in Hazel Crest, IL are listed below.

1. DaVita, RCG Hazel Crest, IL = Operating at 85.83%

2. Fresenius Hazel Crest, IL = Operating at 82.29%

As of November 8, 2017, the Illinois State Board has determined that 51 additional stations would be needed in HSA 7 to address the growing dialysis needs of that particular community. The proposed facility would provide 12 of those stations needed to accommodate ESRD patients. Not only would Dialysis Care Center Hazel Crest simply be fulfilling a number of stations to provide dialysis, but would be providing quality, patient-centered healthcare and education to patients using our facility. Dialysis Care Center Hazel Crest would be providing quality, patient-centered healthcare and education to patients using our facility.

It is our priority that every patient concern is addressed and resolved in a timely fashion. The complete physician ownership of our organization allows that our physicians have total independence to make crucial clinical decisions that maximize positive patient outcomes. Our organization recognizes that patient outcomes and satisfaction are the building blocks of successful healthcare, which is why we require that quality of care is our first priority over profitability concerns.

The addition of Dialysis Care Center Hazel Crest in this community will provide additional treatment options for patients in the specific market area, as well as for patients in Cook County overall, and other surrounding cities. The market area to be served by the applicant is approximately within a 20-mile radius of the proposed facility location.

As of 2010, the total population of Cook County was 5.195 million, while the population of the City of Hazel Crest was 14,100. Historically, these areas have seen a tremendous and concerning growth of ESRD patients, as indicated by the 70-80% utilization of most ESRD facilities in the surrounding area. This project will aid in addressing the clear and crucial needs of this community for hemodialysis treatment options.

It is an established criterion for patients who require chronic dialysis treatments to have convenient and adequate access to services, as these conditions result in fewer health

complications for patients and reduce healthcare costs to patients and payers alike. The new in-center clinic, Dialysis Care Center Hazel Crest, will allow patients increased access to dialysis services within a reasonable travel distances from home, while avoiding significant highway travel.

It is expected that Dialysis Care Center Hazel Crest, once operational, will meet and possibly exceed clinical outcome expectations set by the Renal Network and the Centers for Medicare and Medicaid Services. Such expectations address Kt/V Dialysis Adequacy, Access Type, the Standardized Transfusion Ratio (STrR) and Hypercalcemia.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

Alternatives to the project

We have considered three options prior to determining the establishment of a 12-station dialysis facility

1. Increasing or reducing the scope and size of the project
2. Pursuing a joint venture for the establishment of a new facility
3. Using existing facilities

After exploring these options, which are discussed in more detail below, we determined to establish a 12-station dialysis facility. Discussed is a review of each of the options considered and the reasons they were rejected.

Proposing a project of greater or lesser scope and cost.

The only option other than what was proposed in the application, would entail a lesser scope and cost than the project proposed in this application would be to do nothing, which was considered. **This option, however, does not address the overutilization of current stations in Hazel Crest, IL.** To do nothing would cause existing area facilities to reach or exceed capacity as patient access declines in this HSA defined zone. There is no cost to this alternative.

The proposed facility that is identified for Dialysis Care Center Hazel Crest is a shell ready facility. By using this site, the costs associated with this project are significantly lower compared to other ESRD projects brought to the board. This cost-effective method will ensure the need for the additional stations are met with a reduced cost for the facility.

Pursuing a joint venture or similar arrangement with one or more providers or entities to meet all or portion of the projects intended purposes; developing alternative settings to meet all or a portion of the projects intended purposes.

Section is not applicable as this facility is 100% owned and operated directly by the physicians working in the area.

Physician owned and managed compared to corporate owned facilities.

There are currently no solely physician owned ESRD facilities in the area. The Medical Director and the physician partners identified that will refer their ESRD patients to Dialysis Care Center Hazel Crest have no current options where they can refer their patients in which they have the independence they need to make quality clinical decisions and can focus on maximizing patient care.

Utilizing other health care resources that are available to serve all or portion of the population proposed to be served by the project.

Utilizing other health care ESRD facilities was considered but there is no alternative. As mentioned there are no physician-owned ESRD facilities in the area where the physicians have the independence they need to improve the quality indicators set by the Board's criteria on quality. It is expected that the facility will exceed the clinical outcomes that meet all network, Centers for Medicare and Medicaid Services clinical goals established.

Alternatives
Attachment-13

Reasons why the chosen alternatives were selected.

The project utilizes space that will be leased, as opposed to building a new facility from ground up. The cost of the proposed project is a fraction of the cost of developing a new facility. We expect to spend less than the average in renovation costs on a space of 3,900 sq. ft. Beyond that, the only additional cost would be to provide the equipment needed to provide dialysis services. We believe that this is a very substantial cost-effective alternative that will meet the need.

This we believe is the most efficient long-term solution to maintaining access to dialysis services in the Hazel Crest area, and to accommodate the need of the growing population in HSA 7.

We believe that the proposed project meets the HFPB goals of providing health care services in the most cost effective manner.

Empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

There is no direct empirical evidence relating to this project other than that when chronic care patients have adequate access to services, it tends to reduce overall healthcare costs and results in less complications. It is expected that this facility will exceed the quality expectations set by the Board.

SECTION IV. PROJECT SCOPE, UTILIZATION, AND UNFINISHED/SHELL SPACE
Size of Project

As seen in the chart below, the state standard is 360-520 gross square feet per dialysis station for a total of 3,500-6,240 gross square feet for 12 stations. The project is being accomplished in leased space within the state guidelines, at 325 DGSF per station. The total proposed gross square footage of the clinical space of the proposed Dialysis Care Center Hazel Crest is 3,900 of contiguous rentable square feet or 325GSF per station. Accordingly, the proposed facility meets the State standard per station.

SECTION IV. PROJECT SCOPE, UTILIZATION, AND UNFINISHED/SHELL SPACE
Project Service Utilization

Our Nephrologist has identified 79 pre-ESRD patients (a total of 98 patients before accounting for a 20% patient loss prior to dialysis commencement) with lab values indicative of active kidney failure who live in HSA 7, in Hazel Crest, and in surrounding areas. These individuals are expected to require dialysis services in the first two years after the Dialysis Care Center Hazel Crest facility begins operations.

SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA

In-Center Hemodialysis

Criterion 1110.1430(b)(1), Planning area need

Dialysis Care Center Hazel Crest will be located in HSA 7, where the current 2 existing facilities are above state standard utilization rates. Below please find information regarding the only two ESRD facilities in Hazel Crest and their respective utilization rates.

1.DaVita, RCG Hazel Crest, IL = Operating at 85.83%

2.Fresenius Hazel Crest, IL= Operating at 82.29%

As of November 8, 2017, the Illinois State Board has determined that 51 additional stations would be needed in HSA 7 to address the growing dialysis needs of that particular community. The proposed facility would provide 12 of those stations needed to accommodate ESRD patients. Not only would Dialysis Care Center Hazel Crest simply be fulfilling a number of stations to provide dialysis, but would be providing quality, patient-centered healthcare and education to patients using our facility. Dialysis Care Center Hazel Crest would be providing quality, patient-centered healthcare and education to patients using our facility.

SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA

In-Center Hemodialysis

Service to Planning area residents

The primary purpose of this project is to ensure that the ESRD patient population of the greater Hazel Crest area, market area, and planning area of HSA 7 has access to life sustaining dialysis.

We anticipate that well over 90% of Dialysis Care Center Hazel Crest will be residents of the planning area HSA 7.

Planning Area Need
Attachment-24

SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA

In-Center Hemodialysis

Service Demand- Establishment of Category of services

The most recent available Illinois Department of Public Health ESRD data, dated November 8, 2017, shows that HSA 7 has a determined need of 51 additional stations.

Additionally, Hazel Crest has currently only 2 ESRD facilities, both operating at above 80% utilization rate. Dialysis Care Center Hazel Crest will help better provide for the dialysis needs of this community by making the additional stations available to the ESRD Patients.

As shown in our Medical Director's referral letter and other estimates made by Nephrologists practicing in the Hazel Crest area, our physicians anticipate approximately 79 patients conservatively, based upon attrition due to patient death, transplant, or return of function, will be referred to the proposed facility in the next 12 to 24 months.

All these patients reside within 30 minutes or 20 miles of the proposed facility.

Section VII. Service Specific Review Criteria

In-Center Hemodialysis

Planning area need – Service Accessibility

As set forth throughout this application, the proposed ESRD facility is needed to maintain access to life-sustaining dialysis for patients in the greater Hazel Crest area. Dialysis Care Center Hazel Crest is necessary to provide essential care to ESRD patients in the community. This facility will better accommodate the current and future demand for dialysis services and ensure dialysis services are accessible to the greater Hazel Crest Community and HSA 7 area.

Section VII. Service Specific Review Criteria

In-Center Hemodialysis

Criterion 1110.1430(C) (2), Misdistribution

The establishment of Dialysis Care Center Hazel Crest will not result in an unnecessary duplication of services or a service misdistribution. A misdistribution exists when an identified area has an excess supply of facilities, stations, and services characterized by such factors as, but not limited to: (1) ratio of stations to population exceeds one and one-half times the state average; (2) historical utilization for existing facilities and services is below the State Boards utilization standard; or (3) insufficient population to provide the volume of caseload necessary to utilize the services proposed by the project at or above utilization standards. As discussed more extensively below, the ratio of stations to population in the geographic area is above of the state average, and the average utilization of existing facilities within the geographic service area is more than 80%. Notably, average utilization of facilities within 30 minutes of the proposed site is about 70%. Sufficient population exists to achieve target utilization in the future.

Accordingly, the proposed dialysis facility will not result in a misdistribution of services.

Attachment-24

Section VII. Service Specific Review Criteria

In-Center Hemodialysis

Criterion 1110.1430(C) (3), Impact of project on other Area Providers

The proposed dialysis facility will not have an adverse impact on existing facilities in the proposed geographic service area. All of the identified patients will be referrals from identified physicians and are on pre-ESRD list. No patients will be transferred from other existing dialysis facilities.

The proposed dialysis facility will not lower utilization of other area providers that are operating below the target utilization standard.

Landlord shall operate, manage, equip, light, insure, repair and maintain the Common Areas for their intended purposes in such manner as Landlord shall, in its sole discretion, determine and may, from time to time, change the size, location and nature of any Common Areas, and Landlord shall not be subject to liability therefor, nor shall Tenant be entitled to any compensation, or diminution or abatement of rent, on account of any such action, nor shall any such action be deemed an actual or constructive eviction of Tenant.

17.2 Use of Common Areas. Tenant and its permitted concessionaires, officers, employees, agents, customers and invitees shall have the non-exclusive right, in common with Landlord and all others to whom Landlord has or may grant rights, to use the Common Areas as designated from time to time by Landlord, subject to such rules and regulations as Landlord may from time to time impose, including, without limitation, the designation of the days and hours the Common Areas shall be open and the designation of specific areas in which cars owned by Tenant, its permitted concessionaires, officers, employees and agents shall be parked. If Landlord shall designate such parking areas, and if any car of Tenant or a permitted concessionaire, officer, employee or agent of Tenant is parked in any other portion of the Shopping Center, Tenant shall pay to Landlord, upon demand, the sum of \$10.00 for each such car for each day, or part thereof, such car is parked; and Tenant hereby authorizes Landlord to tow, or cause any such car to be towed, from the Shopping Center and agrees to reimburse Landlord for the cost thereof, upon demand, and otherwise to indemnify and hold Landlord harmless with respect thereto. Tenant agrees to abide by such rules and regulations and to use its best efforts to cause its permitted concessionaires, officers, employees, agents, customers and invitees to conform thereto. Landlord may at any time temporarily close Common Areas to make repairs or changes or to discourage non-customer parking, and may do such other acts to the Common Areas as, in its judgment, may be desirable to improve the convenience thereof. Tenant shall, upon request, furnish to Landlord the license numbers and descriptions of the cars operated by Tenant and its permitted concessionaires, officers, employees and agents. Tenant shall not at any time interfere with the rights of Landlord and other Tenants, its and their permitted concessionaires, officers, employees, agents, customers and invitees to use any part of the parking areas and other Common Areas.

17.3 Charge for Common Areas and Facilities. Tenant shall pay to Landlord, as additional rent, in the manner provided in Section 5.5, Tenant's pro rata share, as defined in Section 5.4, of "Common Area Maintenance Costs," which term is defined as follows:

"Common Area Maintenance Costs" is defined as all costs and expenses (except taxes covered by Section 8.1(o)) paid or incurred by Landlord during or with respect to the Lease Term (including appropriate reserves) (a) in operating, managing, equipping, policing (if, and to the extent, provided by Landlord), protecting, insuring, heating, cooling, lighting, ventilating, repairing, replacing, and maintaining the Common Areas of the Shopping Center and/or (b) as a result of assessments, dues, pass-through charges or other amounts charged or assessed to or against Landlord or the Shopping Center pursuant to the terms of any covenant, condition and restriction agreement, property owners or other declaration or other title document that applies to the Shopping Center and imposes or assesses costs, dues or other charges of any nature to or against Landlord or the Shopping Center (e.g., property owners assessments payable by Landlord, as the owner of the Shopping Center, if the Shopping Center is part of a larger development that is subject to a property owners declaration or property owners' association dues). Such costs and expenses shall include, but not be limited to: maintaining any enclosed Common Area; cleaning; removal of rubbish and other refuse; restriping, resealing, resurfacing and replacing, and repairing potholes in, any parking and driveway areas; costs of maintaining, repairing and replacing any fire protection or sprinkler system serving any building within the Shopping Center and costs of monitoring and alarm services, and of inspections, relating thereto; exterior illumination of buildings and Common Areas, and illumination and maintenance of signs, whether or not the lights or signs are located on the Shopping Center; snow and ice clearance; costs and expenses of planting, maintaining and replanting flowers and other landscaping; water and sewerage charges; premiums for liability, property damage, fire, extended coverage, malicious mischief, vandalism, worker's compensation, employees' liability and other insurance paid by Landlord on, or in respect of, the Shopping Center for any calendar or premium year or part thereof included in the Lease Term or any renewal term; the amount of any uninsured loss or damage to the Common Areas or the remainder of the Shopping Center suffered or incurred by Landlord (including, without limitation, the amount of any loss or damage not covered by insurance due to applicable deductible provisions); wages, unemployment taxes and social security taxes; special assessments; personal property taxes; fees for audits; required licenses and permits; costs and expenses of supplies; operation of loudspeakers and any other equipment supplying music to the Common Areas; reasonable depreciation of, and rents paid for, the leasing of equipment used in the operation of the Common Areas and an administrative fee equal to 15 percent of the total amount of the Common Area Maintenance Costs (other than such administrative fee).

Landlord shall cap future increases to "controllable" Common Area Maintenance Costs at six percent (6%) per annum, cumulative over a base of \$1.50 psf per year (rounded to the nearest penny) for 2018 (i.e., \$1.50 psf per year through December 31, 2018, \$1.59 psf for 2019, \$1.69 psf for 2020, etc.). "Controllable" Common Area Maintenance Costs shall not include snow and ice removal costs, utility charges, insurance premium costs and other uncontrollable costs.

17.4 Tenant's Pro Rata Share of Common Area Maintenance Costs. Tenant's pro rata share of the Common Area Maintenance Costs shall be the ratio of the total floor area of the

Leased Premises to the total floor area of all rentable space in the Shopping Center. "Floor Area" means with respect to any rentable area in the Shopping Center, including the Leased Premises, the square feet of floor space on all floors therein, measured from the outside of all exterior boundary walls and the midpoint of any interior boundary walls. It shall not include the floor area of roof structures used for mechanical equipment or the Common Areas.

17.5 Payment of Estimated Charges and Periodic Adjustment. Tenant shall pay to Landlord in advance, on the first day of each calendar month during the Lease Term, the amount reasonably estimated by Landlord as Tenant's pro rata share of the Common Area Maintenance Costs for such month. Landlord shall furnish Tenant a regular annual statement of the estimated amount of such charges in advance of the due date.

The computation and payment of Common Area Maintenance Costs shall be based on annual, semi-annual or quarterly "Computational Periods" (as determined by Landlord from time to time) of consecutive calendar months, on either a calendar or fiscal year basis as determined by Landlord from time to time. At the end of any Computational Period, Landlord shall furnish Tenant with a statement prepared in reasonable detail, in accordance with general accounting principles consistently applied, of the actual Common Area Maintenance Costs paid or incurred by Landlord during such Computational Period and Tenant's pro rata share thereof for such period. Within 30 days after receipt of the statement, there shall be a settlement between Landlord and Tenant with payment to Landlord, or credit to Tenant, as the case may be, so that the amount of Common Area Maintenance Costs paid by Tenant shall equal Tenant's pro rata share thereof for such period as computed hereunder and no more. In the event the Lease Term covers only a portion of a Computation Period, the pro rata share of Tenant's Common Area Maintenance Costs for such period shall be adjusted in proportion to the amount of such period covered by the Lease Term.

ARTICLE XVIII

UTILITIES AND MAINTENANCE AGREEMENT.

18.1 Utilities. Tenant shall pay for all utilities used in the Leased Premises, including, without limitation, all electricity and gas, and, at its own cost and expense and with its own equipment, shall heat or chill the water it uses to meet all of its requirements and will at its own cost maintain said equipment in good working order during the Lease Term.

18.2 Maintenance Agreement. A maintenance agreement for the heating, ventilating and air conditioning equipment shall be obtained by Tenant and shall provide for twice-a-year inspection and service. A copy of such maintenance agreement shall be furnished to Landlord.

ARTICLE XIX

LANDLORD'S ADDITIONAL COVENANTS.

19.1 Repairs by Landlord. Landlord shall, at its own expense, keep the foundations and roof of the Leased Premises and the structural soundness of the concrete floor and exterior walls thereof, in good order, repair and condition, unless any necessary work is required because of damage caused by any act, omission or negligence of Tenant, any permitted assignee, sublessee

or concessionaire or any of their respective employees, agents, invitees, licensees or contractors. Landlord shall not be required to commence any such repair until a reasonable time after written notice from Tenant that the same is necessary. The provisions of this paragraph shall not apply in the case of damage or destruction by fire or other casualty or a taking under the power of eminent domain, in which events the obligations of Landlord shall be controlled by Article IX. Except as provided in this Section 7.1, Landlord shall not be obligated to make repairs, replacements or improvements of any kind upon the Leased Premises, or to any equipment, facilities or fixtures contained therein, which shall be the responsibility of Tenant.

19.2 Quiet Enjoyment. So long as Tenant pays the rents and observes and performs all of Tenant's obligations under this Lease, Tenant shall quietly enjoy the Leased Premises. Tenant's quiet enjoyment of the Leased Premises shall be subject, however, to the provisions of this Lease and dispossession by reason of superior title. If a mortgagee becomes the owner of the Leased Premises by foreclosure or deed in lieu of foreclosure, Tenant's quiet enjoyment shall not be disturbed so long as Tenant is not in default under this Lease; provided, however, that no eviction of Tenant for any reason whatsoever after Landlord shall have conveyed the fee of the Leased Premises shall be construed as a breach of this covenant, and no action therefor shall be brought against Landlord. If Tenant shall be dispossessed from the Leased Premises by reason of superior title or the foreclosure of any mortgage now or hereafter placed upon the Leased Premises, the payment of rent shall cease from and after the date of such dispossession, and all rent that Tenant may have prepaid and any security deposit made by Tenant with Landlord shall be returned to Tenant forthwith, but Tenant shall not be entitled to receive from Landlord any damages suffered by Tenant as a result of such dispossession.

ARTICLE XX

TENANT'S ADDITIONAL COVENANTS.

20.1 Affirmative Covenants. If the Leased Premises are used for the sale of food for consumption therein, such as for a restaurant or snack bar, Tenant shall store all trash, refuse and garbage in a garbage storeroom or compartment which Tenant shall install and keep in repair at its sole expense.

(e) Except for repairs required to be performed by Landlord pursuant to Section 7.1, to keep the Leased Premises, including, but not limited to, the security screen or wall (store front), and all fixtures and displays, clean, neat and safe, and in good order, repair and condition (including all necessary painting and decorating) and to keep all glass, including that in windows, doors, fixtures and skylights, clean and in good condition, and to replace any glass that may be damaged or broken with glass of the same quality.

(g) To pay promptly when due the entire cost of any work in the Leased Premises undertaken by Tenant or any of its assignees or sublessees, so that the Leased Premises and the Shopping Center shall at all times be free of liens for labor and materials; to procure all necessary work permits before undertaking such work; to do all of such work in a good and workmanlike manner, employing materials of good quality; to perform such work only with contractors previously approved in writing by Landlord; to perform such work with union labor to the extent and in such manner as to ensure proper maintenance of good labor relationships; to comply with all governmental requirements relating to such work; and to save Landlord and Landlord's beneficiaries and their respective agents, employees, successors and assigns, harmless and indemnified from all injury, loss, claims or damage by any person or property occasioned by or growing out of such work.

(h) To save Landlord and Landlord's beneficiaries and their respective agents, employees, successors and assigns, harmless and indemnified from all injury, loss, claims or damage to any person or property while on the Leased Premises or any other part of the Shopping Center occasioned by any act or omission of Tenant or any of its assignees or sublessees, or anyone claiming by, through or under Tenant or any of its assignees or sublessees.

(i) To maintain, in responsible companies approved by Landlord, public liability insurance insuring Tenant, and further insuring, as additional insureds (on a primary, non-contributory basis) as their interests may appear, Landlord and Landlord's beneficiaries and their respective agents, employees, successors and assigns, and the holders of any notes secured by a first mortgage or trust deed on the Shopping Center and/or the Leased Premises, against all claims, demands or actions for injury to or death of any one person in an amount of not less than \$500,000.00, and for injury to or death of more than one person in any one accident in an amount of not less than \$1,000,000.00, and for damage to property in an amount of not less than \$150,000.00, made by or on behalf of any person, firm or corporation, arising from, related to, or connected with the conduct and operation of Tenant's business in the Leased Premises (Landlord shall have the right to direct Tenant to increase such amounts whenever it considers them inadequate) and, in addition and in like amounts, covering Tenant's contractual liability under the hold harmless clause set forth in subsection 8.1(h) hereof; to carry like coverage against loss or damage by boiler or compressors, if there is a boiler or compressor in the Leased Premises; to maintain plate glass insurance covering all exterior plate glass in the Leased Premises and fire insurance, with such extended coverage endorsements as Landlord may from time to time require, covering all of Tenant's stock-in-trade, fixtures, furniture, furnishings, floor coverings and equipment in the Leased Premises to the extent of at least 80 percent of their replacement cost. All of said insurance shall be in a form, and in responsible companies, satisfactory to Landlord and shall provide that it will not be subject to cancellation, termination or change except after at least thirty (30) days prior written notice to Landlord. The policies or duly executed certificates for the same (which certificates shall evidence the above referenced persons and entities as additional insureds (on a primary, non-contributory basis) and the insurers' respective waivers of subrogation in favor of all such additional insureds), together with satisfactory evidence of the payment of the premiums thereon, shall be deposited with Landlord on the day Tenant begins Tenant's Work, and, upon renewal of such policy, not less than thirty (30) days prior to the expiration of the term of such coverage; and, if Tenant fails to comply with such requirements, Landlord may obtain such insurance and keep the same in effect, and Tenant shall pay Landlord the premium cost thereof, upon demand, as additional rent.

(j) Landlord and Landlord's beneficiaries, and their respective agents and employees, shall not be liable for, and Tenant waives all claims for, damage to person or property sustained by Tenant or any persons claiming through Tenant resulting from any accident or occurrence in or upon the Leased Premises, or the building of which they shall be a part, or any part of the Shopping Center, including, but not limited to, claims for damage resulting from (1) any equipment or appurtenances becoming out of repair, (2) Landlord's failure to keep said building or the Leased Premises in repair, (3) injury done or occasioned by wind, water or other natural element, (4) any defect in, or failure of, plumbing, heating or air conditioning equipment, electric wiring or installation thereof, gas, water and steam pipe, stairs, railings or walks, (5) broken glass, (6) the backing-up of any sewer pipe or downspout, (7) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe or drain or any other pipe or tank in, upon or about such building or Leased Premises, (8) the escape of steam or hot water, (9) water, snow or ice being upon or coming through the roof, skylight, trapdoor, stairs, walks or other places upon or near such building or the Leased Premises or otherwise, (10) the falling of any fixture, plaster or ceiling materials, and/or (11) any act, omission or negligence of co-tenants, or of other persons or occupants of said building or of adjoining or contiguous buildings, or of owners of adjacent or contiguous property, or of Landlord, Landlord's beneficiaries or their respective agents or employees.

(k) To permit Landlord, Landlord's mortgagee and their respective agents and employees, to enter the Leased Premises at reasonable times for the purpose of inspecting the same, of making repairs, additions or alterations thereto or to the building in which the same are located, of shoring the foundations and walls thereof, of erecting scaffolding and/or protective barricades around and about the same, and of showing the Leased Premises to prospective purchasers, lenders and tenants.

(l) To peacefully and quietly vacate the Leased Premises upon the termination of this Lease (whether by lapse of time or otherwise) or the dispossession of Tenant from the Leased Premises (whether by a forcible entry or detainer suit, due to Tenant's default hereunder or abandonment of the Leased Premises or otherwise). Upon such termination or dispossession, Tenant shall (i) remove such of Tenant's goods and effects as are not permanently affixed to the Leased Premises, (ii) remove such alterations and additions to the Leased Premises as Landlord may request, (iii) repair any damage caused by any of the aforesaid removals, and (iv) peaceably yield up the Leased Premises and all alterations and additions thereto (except such as Landlord has requested Tenant to remove), and all fixtures, furnishings, floor coverings and equipment that are permanently affixed to the Leased Premises, which shall thereupon become the property of, and be owned by, Landlord, clean and in good order, repair and condition, damage by fire or other unavoidable casualty excepted. Any goods, effects, trade fixtures or other personal property of Tenant not removed within two (2) days following any such termination or dispossession shall, at Landlord's option, become the property of, and be owned by, Landlord.

(m) If the mortgagee or trustee named in any first mortgage or trust deed now or hereafter placed upon the Shopping Center or any part thereof, or upon any portion or all of the Shopping Center and other property, shall elect, by written notice to Tenant, to subject and subordinate the rights and interests of Tenant under this Lease (in whole or in part) to the lien of its mortgage or trust deed, the rights and interests of Tenant under this Lease shall be so subject

and subordinate, provided that the mortgagee or trustee shall agree, in said notice, to recognize this Lease of Tenant in the event of foreclosure if Tenant is not in default. Any mortgagee or trustee may, in the alternative, elect to give some or all of the rights and interest of Tenant under this Lease priority over the lien of its mortgage or trust deed. The election of such mortgagee or trustee shall be binding upon Tenant, whether this Lease is dated prior or subsequent to the date of said mortgage or trust deed. Tenant shall execute and deliver whatever instruments may be required for such purposes, and, in the event Tenant fails to do so within ten (10) days after demand in writing, Tenant does hereby make, constitute and irrevocably appoint Landlord as its attorney in fact, and in its name, place and stead, so to do.

(n) Intentionally omitted.

(o) To pay to Landlord, as additional rent hereunder, Tenant's pro rata share of all real estate taxes paid by Landlord for the Shopping Center for any calendar year or part thereof included in the Lease Term. Tenant's pro rata share of real estate taxes shall be the ratio of the total floor area of the Leased Premises to the total floor area of all rentable space in the Shopping Center. Tenant's share shall be prorated in the event the Lease Term covers only a part of any calendar year. The term "real estate taxes," as used in this Lease, shall mean all taxes and assessments, general, special and otherwise, levied, assessed or imposed at any time by any governmental authority upon or against the land and/or improvements constituting the Shopping Center, or upon or against any rentals payable by tenants of the Shopping Center to Landlord, either by way of substitution for the taxes and assessments levied, assessed or imposed against such land and/or improvements (other than an income or franchise tax) or in addition thereto, and "real estate taxes" shall further include the amount of any attorneys' fees and expenses incurred by Landlord in contesting real estate taxes or assessments upon or against the aforesaid land, improvements and/or rentals (including, without limitation, assessed valuations, tax rates and other factors affecting the amount of any such taxes or assessments) (but not exceeding the amount of any tax or assessment reduction resulting from any such contest). Tenant shall pay to Landlord in advance monthly installments one-twelfth ($1/12$ th) of the amount reasonably estimated by Landlord to be Tenant's pro rata share of such real estate taxes and assessments applicable to the Shopping Center, commencing on the first day of the calendar month next succeeding the Commencement Date, and this covenant shall survive the expiration or earlier termination of the Lease Term. Within 90 days after Landlord's receipt of the final bill for each calendar year included in whole or in part within the Lease Term, Landlord shall compute the actual amount of Tenant's pro rata share of the foregoing charges for such calendar year and furnish to Tenant a statement in reasonable detail. Within 30 days thereafter, there shall be a settlement between Landlord and Tenant with payment to Landlord, or credit to Tenant, as the case may be, so that Tenant's actual payments shall be equal to Tenant's pro rata share of such charges for such calendar year and no more.

(p) To remain fully obligated under this Lease notwithstanding any assignment or sublease or any indulgence granted by Landlord to Tenant or to any assignee or sublessee.

(q) To promptly furnish to Landlord, whenever requested, financial statements reflecting Tenant's current financial condition.

(r) To give Landlord prompt written notice of any accident, fire or damage occurring on or to the Leased Premises or the Common Areas of which Tenant has knowledge.

(s) To pay on demand Landlord's costs and expenses, including, without limitation, reasonable attorneys' fees and court costs, incurred in enforcing any obligation of Tenant under this Lease and/or on account of any default by Tenant under this Lease, including, without limitation, any default by Tenant as provided in Section 10.1, Section 10.3 or elsewhere in this Lease, and/or in defending or participating in any legal proceedings initiated by, or on behalf of, Tenant or any of its assignees or sublessees wherein Landlord is not found to be in default hereunder.

(t) To furnish, maintain and provide, at Tenant's sole cost and expense, the following insurance coverage for the benefit of Landlord and Tenant, during the entire term of the Lease, if applicable: liquor liability insurance insuring against claims for personal injury, loss of means of support, death and property damage caused by the intoxication of any person who was either sold or given alcoholic beverages on or about Tenant's premises. The limitation of liability shall not be less than \$1,000,000 (Landlord shall have the right to direct Tenant to increase such amount whenever it considers such amount inadequate), and such insurance shall name as insured Landlord, Landlord's beneficiaries and their respective employees and agents, Tenant and the holders of any notes secured by a first mortgage or trust deed on the Shopping Center and/or the Leased Premises, as their interests may appear. Such policy may be a blanket policy covering other locations, and evidence of such insurance shall be delivered to Landlord upon demand. If Tenant fails to obtain such insurance or to maintain same in effect or to furnish Landlord with such evidence, Landlord shall have the right to obtain such insurance and to add the cost thereof to the rent then due or becoming due hereunder.

(u) To pay, as additional rent, all sums and amounts (other than Minimum Rent) that, by the terms of this Lease, are owing from Tenant to Landlord.

(v) Promptly upon the completion of Tenant's Work or any other alteration, addition or improvement to the Leased Premises, including, without limitation, any Tenant's Work or other alteration, addition or improvement affecting the building structure, HVAC or other building systems serving the Leased Premises, to provide to Landlord, in both pdf format and CAD drawing in DWG format, as-built plans and specifications for such Tenant's Work, alteration, addition or improvement.

20.2 Negative Covenants. Tenant covenants at all times during the Lease Term and during any other time that Tenant occupies the Leased Premises or any part thereof:

(a) Not to injure, overload, deface or otherwise harm the Leased Premises; or commit any nuisance; or unreasonably annoy owners or occupants of neighboring property; or use the Leased Premises for any extra-hazardous purpose or in any manner that will suspend, void or make inoperative any policy or policies of insurance at any time carried on any improvements within the Shopping Center, or in any manner that will increase the cost of any of Landlord's insurance; or burn any trash or refuse within the Shopping Center; or sell, distribute or give away any product that tends to create a nuisance in the Common Areas; or make any use of the Leased Premises that is improper, offensive or contrary to any law or ordinance or any

regulation of any governmental authority; or conduct or permit any going-out-of business, bankruptcy, fire or auction sales on the Leased Premises; or use any advertising medium that might be annoying, such as: hand bills, flashing lights, searchlights, loudspeakers, phonographs, sound amplifiers or radio or television receiving equipment; or use any advertising medium in a manner to be seen or heard outside the Leased Premises; or load, unload or park any truck or other delivery vehicle in any area of the Shopping Center other than the area or areas designated therefor by Landlord; or use any sidewalks, walkways, malls or common areas in the Shopping Center for the storage or disposal of trash or refuse or the selling or displaying of any merchandise or other object, including, but not by way of limitation, the use of any of the foregoing for any news stand, cigar stand, sidewalk shop or any other business occupation or undertaking (such latter uses being reserved to Landlord and its designees); or place any fence, structure, barricade, building, improvement, division, rail or obstruction of any type or kind on any part of the Common Areas; or use the Common Areas for any purpose other than the use designated by Landlord; or install or use any sign or other advertising device on the exterior of the Leased Premises other than a store identifying sign approved by Landlord; or use or permit the use of any portion of the Leased Premises as living quarters, sleeping apartments or lodging rooms; or do any act intended to injure the reputation of the Shopping Center.

(b) Not to make any alterations or additions, or permit the making of any holes in walls, partitions, ceilings or floors, or permit the painting or placing of any exterior signs, placards or other advertising media, awnings, aerials, antennas, or the like, without on each occasion obtaining the prior written consent of Landlord (and, in any event, all fascia signs shall include individual letters, it being agreed that box signs will not be permitted on the Leased Premises). Relative to the foregoing, Landlord and Tenant agree that Tenant shall be entitled to install its panel on the existing pylon sign of the Shopping Center in the space reserved for "Medical" as shown on Exhibit "D" attached hereto and made a part hereof. Tenant's aforesaid panel shall at all times comply with all applicable laws, codes and ordinances and shall, at Tenant's expense, be kept in good condition and repair and be immediately removed upon the expiration or earlier termination of this Lease.

(c) Not to assign, sell, mortgage, pledge or in any manner transfer this Lease or grant any interest herein, by operation of law or otherwise, or sublet or grant license to use the Leased Premises or any part or parts thereof, or permit occupancy thereof by anyone with, through or under it without Landlord's prior written consent. Landlord's consent shall not be unreasonably withheld.

(d) Not to suffer any mechanic's lien to be filed against the Leased Premises, or any other portion of the Shopping Center, by reason of any work, labor, service or materials performed at, or furnished to, the Leased Premises for Tenant, or for anyone holding the Leased Premises through or under Tenant. If any such mechanic's lien shall at any time be filed, Tenant shall forthwith cause the same to be discharged of record by payment, bond, order of a court of competent jurisdiction, or otherwise, but Tenant shall have the right to contest any and all such liens, provided security deposit satisfactory to Landlord is deposited with Landlord. If Tenant shall fail to cause such lien to be discharged within thirty (30) days after being notified of the filing thereof, or, if earlier, by the date any such lien is scheduled to be enforced by sale, then, in addition to any other right or remedy of Landlord, Landlord may, but shall not be obligated to, discharge the same by paying the amount claimed to be due or by bonding or other proceeding

deemed appropriate by Landlord, and the amount so paid by Landlord and/or all costs and expenses, including, without limitation, reasonable attorneys' fees and court costs, incurred by Landlord in procuring the discharge of such lien, shall be deemed to be additional rent and, together with interest thereon as provided in Section 10.3, shall be due and payable by Tenant to Landlord on the first day of the next following month. Nothing in this Lease contained shall be construed as a consent on the part of Landlord to subject Landlord's estate in the Leased Premises or the Shopping Center to any lien or liability under the Mechanic's Lien Law of the State in which the Shopping Center is located.

ARTICLE XXI

DAMAGE, DESTRUCTION AND EMINENT DOMAIN.

21.1 Fire, Explosion or Other Casualty. In the event the Leased Premises are damaged by fire, explosion or any other casualty to an extent that is less than 50% of the cost of replacement of the Leased Premises, the damage shall be repaired promptly by Landlord at Landlord's expense, provided that Landlord shall not be obligated so to repair if such fire, explosion or other casualty is caused, directly or indirectly, by the negligence of Tenant, its agents or employees, and provided further that Landlord shall not be obligated to expend for such repair an amount in excess of the insurance proceeds recovered or recoverable as a result of such damage, and that in no event shall Landlord be required to repair or replace Tenant's stock in trade, fixtures, furniture, furnishings, floor coverings and equipment. In the event of any such damage, and (a) Landlord is not required to repair as hereinabove provided, (b) the Leased Premises shall be damaged to the extent of 50 percent or more of the cost of replacement, or (c) the building of which the Leased Premises is a part is damaged to the extent of 25 percent or more of the cost of replacement, or (d) all buildings (taken in aggregate) in the Shopping Center shall be damaged to the extent of more than 25 percent of the aggregate cost of replacement, Landlord may elect either to repair or rebuild the Leased Premises or the building or buildings or to terminate this Lease upon giving notice of such election to Tenant within 90 days after the occurrence of the event causing the damage. If the casualty, repairing or rebuilding shall render the Leased Premises untenable, in whole or in part, and the damage shall not have been due to the default or neglect of Tenant, a proportionate abatement of the Minimum Rent shall be allowed from the date when the damage occurred until the date Landlord completes the repairing or rebuilding (except for punch list work), said proportion to be computed on the basis of the relation that the gross square footage area of the space rendered untenable bears to the Floor Area of the Leased Premises. If Landlord is required or elects to repair the Leased Premises as herein provided, Tenant shall repair or replace its stock in trade, fixtures, furniture, furnishings, floor coverings and equipment, and, if Tenant has closed for business, Tenant shall promptly re-open for business upon the completion of such repairs.

21.2 Eminent Domain. If the whole of the Leased Premises shall be taken by any public authority under the power of eminent domain, the Lease Term shall cease as of the day possession shall be taken by such public authority, and Tenant shall pay rent up to that date with an appropriate refund by Landlord of any rent that has been paid in advance for a period subsequent to the date possession is taken. If 25 percent or less of the Floor Area of the Leased Premises shall be so taken, the Lease Term shall cease only on the parts so taken as of the day possession shall be so taken by such public authority, and Tenant shall pay rent up to that day

with an appropriate refund by Landlord of any rent that has been paid in advance for a period subsequent to the date possession is so taken, and thereafter the Minimum Rent shall be adjusted equitably. Landlord shall at its expense make all necessary repairs or alterations to the basic building and exterior thereof so as to constitute the remaining premises a complete architectural unit; provided, that Landlord shall not be obligated to undertake any such repairs or alterations if the total estimated cost thereof will exceed the amount of the award with respect to the Leased Premises. If more than 25 percent of the Floor Area of the Leased Premises shall be so taken, then, the Lease Term shall cease only on the part so taken from the day possession shall be taken by such authority, and Tenant shall pay rent up to that day with an appropriate refund by Landlord of any rent that has been paid in advance for a period subsequent to the date possession is so taken, and either party shall have the right to terminate this Lease upon notice in writing within ten days after taking of possession. In the event Tenant remains in possession, and Landlord does not so terminate, all of the terms herein provided shall continue in effect, except that the Minimum Rent shall be abated equitably, and Landlord shall make all necessary repairs or alterations to the basic building and exterior thereof so as to constitute the remaining premises a complete architectural unit; provided, that Landlord shall not be obligated to undertake any such repairs or alterations if the estimated cost thereof will exceed the amount of the award with respect to the Leased Premises. If more than 25 percent of the Floor Area of the building in which the Leased Premises are located, or more than 25 percent of the aggregate floor area of all the buildings in the Shopping Center, shall be taken under the power of eminent domain, Landlord may, by notice in writing to Tenant, delivered on or before the day of surrendering possession to the public authority, terminate this Lease, and rent shall be paid or refunded as of the date of termination. All compensation awarded for any taking under the power of eminent domain, whether for the whole or a part of the Leased Premises, shall be the property of Landlord, whether such damages shall be awarded as compensation for diminution in the value of the leasehold or to the fee of the Leased Premises or otherwise, and Tenant hereby assigns to Landlord all of Tenant's rights, title and interest in and to any and all such compensation provided, however, that Landlord shall not be entitled to any award made expressly to Tenant for the taking of Tenant's trade fixtures, furniture or leasehold improvements to the extent of the cost to Tenant of said improvement (exclusive of Landlord's contribution) less depreciation computed from the date of said improvements to the expiration of the original term of this Lease.

ARTICLE XXII

DEFAULTS BY TENANT AND REMEDIES.

22.1 Defaults By Tenant. Landlord may, at its option, terminate this Lease if any default by Tenant continues after notice, in case of non-payment of rent or any other payment provided to be made hereunder for more than five (5) days, or in case of any other default that Tenant does not cure within fifteen (15) days; or if Tenant makes any assignment for the benefit of creditors, commits any act of bankruptcy, or files a petition under any bankruptcy or insolvency law; or if such a petition is filed against Tenant and is not dismissed within thirty (30) days; or if Tenant does not pay, after demand, any other liability to Landlord arising out of, or in connection with, the construction or operation of the Shopping Center; or if Tenant falsifies any monetary report to Landlord; or if a receiver or similar officer becomes entitled to this leasehold; or if Tenant's interest in this Lease is taken on execution or other process of law in any action against Tenant; or if Tenant does, or permits to be done, any act that creates a mechanic's lien or

claim thereof against the Leased Premises or the Shopping Center and Tenant does not comply with the provisions of Section 8.2(d). Upon such termination of this Lease, Landlord may re-enter the Leased Premises, with or without process of law, using such force as may be necessary, and remove all persons, fixtures and chattels therefrom, and Landlord shall not be liable for any damages resulting therefrom; Landlord, upon such repossession of the Leased Premises, shall be entitled to recover, as liquidated damages and not as a penalty, a sum of money equal to the value of the Minimum Rent and other sums provided herein to be paid by Tenant for the remainder of the Lease Term. Upon the happening of any one or more of the above-mentioned events, Landlord may repossess the Leased Premises by forcible entry or detainer suit, or otherwise, without demand or notice of any kind to Tenant (except as hereinabove expressly provided for) and without terminating this Lease, in which event Landlord may, but shall be under no obligation so to do, relet all or any part of the Leased Premises for such rent and upon such terms as shall be satisfactory to Landlord (including the right to relet the Leased Premises for a term greater or lesser than that remaining under the Lease Term, and the right to relet the Leased Premises as a part of a larger area, and the right to change the character or use made of the Leased Premises). Landlord may, for the purpose of such reletting, decorate and make any repairs, changes, alterations and additions in or to the Leased Premises that it may deem necessary or convenient. If Landlord does not relet the Leased Premises, Tenant shall pay to Landlord, on demand, as liquidated damages and not as a penalty, a sum equal to the amount of the Minimum Rent and other sums provided herein to be paid by Tenant for the remainder of the Lease Term. If the Leased Premises are relet and a sufficient sum shall not be realized from such reletting, after paying all of the expenses of such decorations, repairs, changes, alterations and additions and all other expenses of such reletting and after crediting any rents collected from such reletting, to satisfy the total rent herein provided to be paid for the remainder of the Lease Term, Tenant shall pay to Landlord, on demand, any deficiency; and Tenant agrees that Landlord may, from time to time, file suit to recover any sums falling due under the terms of this Section. Landlord is hereby given a first lien upon all property of Tenant, including, but not limited to, all trade fixtures, that shall come in or be placed upon the Leased Premises, and whether acquired by Tenant before or after the date hereof, to secure the payment of rent and the performance of each and every other covenant herein contained to be performed by Tenant. The rights and remedies herein contained and reserved to Landlord shall not be considered as exclusive of any other right or remedy of Landlord, but shall be construed as cumulative and shall be in addition to every other right or remedy now or hereafter existing at law, in equity or by statute.

22.2 Holdover By Tenant. In the event Tenant remains in possession of the Leased Premises after expiration or termination of the tenancy created hereunder, and without the execution of a new lease, Tenant, at the option of Landlord, shall be deemed to be occupying the Leased Premises as a tenant from month-to-month, at twice the Minimum Rent and twice all the other charges due hereunder, and subject to all of the other conditions, provisions and obligations of this Lease insofar as the same are applicable to a month-to-month tenancy.

22.3 Landlord's Right To Cure Defaults. Landlord may, but shall not be obligated to, cure at any time, without notice, any default by Tenant under this Lease and, whenever Landlord so elects, all costs and expenses thereby incurred by Landlord, including, without limitation, reasonable attorneys' fees and court costs, together with interest on the amount of any costs and expenses so incurred at the rate of 18 percent per annum, shall be due and payable by Tenant to Landlord on demand.

22.4 Effect of Waivers of Default. No consent by Landlord to, or waiver by Landlord of, any breach of any covenant, condition or duty of Tenant, whether such consent or waiver be expressed or implied, shall be construed as a consent to or waiver of any other breach of the same or any other covenant, condition or duty.

ARTICLE XXIII

OPTION TO EXTEND LEASE TERM AND ADJUSTED MINIMUM RENT.

23.1 Option to Extend Lease Term. Landlord grants Tenant an option to extend the Lease Term for two (2) "Renewal Terms" of five (5) years each. During the first and each subsequent year of each Renewal Term, the annual Minimum Rent shall increase by two and one-half percent (2.5%) per annum over the annual Minimum Rent that was in effect as of the end of the preceding year, but, in all other respects, the provisions and terms hereof shall apply to such Renewal Terms. In the event Tenant elects to extend this Lease for any Renewal Term pursuant to this Section 11.1, Tenant shall give written notice to Landlord no later than 250 days prior to the commencement date for the Renewal Term with respect to which such option is being exercised by Tenant. Notwithstanding the foregoing or anything to the contrary contained in this Article XI or elsewhere in this Lease, it shall be a condition to Tenant's right to extend the Lease Term for a Renewal Term, and to the effectiveness of any election by Tenant to extend the Lease Term, that Tenant not be in default under this Lease at the time of its aforesaid notice of election or during the period from the date of such notice through the commencement of the applicable Renewal Term.

ARTICLE XXIV

MISCELLANEOUS PROVISIONS.

24.1 Mutual Waiver of Subrogation Rights. Whenever (a) any loss, cost, damage or expense resulting from fire, explosion or any other casualty or occurrence is incurred by either of the parties to this Lease in connection with the Leased Premises or the building in which the Leased Premises are located, and (b) such party is then covered, in whole or in part, by insurance with respect to such loss, cost, damage or expense, then the party so insured hereby releases the other party from any liability it may have on account of such loss, cost, damage or expense to the extent of any amount recovered by reason of such insurance, and waives any right of subrogation that might otherwise exist in, or accrue to, any person on account thereof, provided that such release of liability and waiver of the right of subrogation shall not be operative in any case where the effect thereof is to invalidate such insurance coverage or increase the cost thereof (provided that, in the case of increased cost, the other party shall have the right, within thirty (30) days following written notice, to pay such increased cost, thereupon keeping such release and waiver in full force and effect). Notwithstanding the foregoing provisions of this Section 12.1 or anything to the contrary contained in Article V, Section 7.1, Section 8.1 or elsewhere in this Lease, in the event of any damage to or destruction of any exterior glass of, or any exterior door to, or any air conditioning unit serving, the Leased Premises or any hardware or other component of any such exterior door or air conditioning unit, whether or not such damage or destruction is covered by any insurance policy maintained, or that is required to be maintained, by Landlord, (i) Tenant, not Landlord, shall be responsible, at its cost, for the prompt repair and/or replacement

of any such exterior glass, exterior door, air conditioning unit or exterior door or air conditioning unit component and (ii) neither Landlord nor any of its insurers shall bear any of such cost.

24.2 Notices From One Party To The Other. All notices, demands and requests required or permitted under this Lease shall be in writing. All notices, demands and requests shall be deemed to have been properly given when served personally or deposited in a Post Office or branch Post Office regularly maintained by the United States Government, Certified Mail - Return Receipt Requested - with postage prepaid, addressed to Landlord at the address appearing in Section 1.1(a) and addressed to Tenant at the address of Tenant appearing in Section 1.1(b). At any time when Tenant's interest herein shall be vested in more than one person, firm or corporation, notice shall be conclusively deemed to have been given to all such persons, firms and corporations. Any notice, demand or request given by Tenant to Landlord shall be ineffective unless all such persons, firms or corporations shall have previously given notice to Landlord, signed by each of them, designating one or more of them to give the notice, demand or request referred to.

24.3 Brokerage. Tenant warrants that it has had no dealings with any broker or agent in connection with this Lease other than Landlord's broker, if any, and covenants to pay, hold harmless and indemnify Landlord from and against any and all cost, expense or liability for any compensation, commissions and charges claimed by any other broker or agent with respect to this Lease or the negotiation thereof.

24.4 Relationship of the Parties. Nothing contained herein shall be deemed or construed by the parties, or by any third party, as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of computation of rent nor any other provision contained herein, nor any acts of the parties hereto shall be deemed to create any relationship between the parties hereto other than the relationship of Landlord and Tenant. Whenever herein the singular number is used, the same shall include the plural, and the neuter gender shall include the masculine and feminine genders.

24.5 Estoppel Certificates. At any time and from time to time, Tenant agrees, upon request in writing from Landlord, to execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the same is in full force and effect as modified and stating the modifications), the dates to which the Minimum Rent and other charges have been paid, and any other factual data relating to this Lease or the Leased Premises that Landlord may request.

24.6 Short Form Lease. Tenant agrees not to record this Lease, and Landlord and Tenant agree to execute, acknowledge and deliver, if either party shall so request, a "Short Form Lease" suitable for recording.

24.7 Interest on Unpaid Amounts; NSF Checks. All amounts owed by Tenant to Landlord hereunder shall be deemed to be additional rent and shall, unless otherwise provided herein, be paid within ten (10) days from the date Landlord renders a statement of account thereof. All amounts (including Minimum Rent) shall bear interest from the date due until the date paid at the rate of 18% per annum. In addition, Tenant shall reimburse Landlord, upon

demand by Landlord, for any charges incurred by Landlord as a result of any payment by Tenant being returned unpaid by Tenant's bank due to insufficient funds (NSF); returned check charges are in addition to late charges and any interest charged on overdue amounts.

24.8 Applicable Law and Construction. The laws of the State in which the Shopping Center is located shall govern the validity, performance and enforcement of this Lease. The invalidity or unenforceability of any provision of this Lease shall not affect or impair any other provision. The headings of the several Articles and Sections contained herein are for convenience only and do not define, limit or construe the contents of such Articles or Sections.

24.9 Delays. Whenever a period of time is provided in this Lease for Landlord to do or perform any act or thing, Landlord shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other causes beyond the reasonable control of Landlord, and the time for performance specified herein shall be extended for the amount of time Landlord is so delayed.

24.10 Execution of Lease by Landlord and Tenant. Except as stated in this Lease, no employee or agent of Landlord or of Landlord's broker, if any, has the authority to make or execute a lease or any other agreement or undertaking in connection herewith. The submission of this document for examination and negotiation does not constitute an offer to lease, or a reservation of, or option for, the Leased Premises, and this document shall become effective and binding only upon execution and delivery by Landlord and Tenant. All negotiations, considerations, representations and understandings between Landlord and Tenant are incorporated herein and may be modified or altered only by agreement in writing between Landlord and Tenant, and no act or omission of any employee or agent of Landlord, or of Landlord's broker, if any, shall alter, change or modify any of the provisions hereof.

24.11 Binding Effect of Lease; Assignment by Landlord. The covenants, agreements and obligations herein contained, except as herein otherwise specifically provided, shall extend to, bind and inure to the benefit of the parties hereto and their respective personal representatives, heirs, successors and assigns. Landlord, at any time and from time to time, may make an assignment of its interest in this Lease and, in the event of such assignment and the assumption by the assignee of the covenants and agreements to be performed by Landlord herein, Landlord and its successors and assigns (other than the assignee of this Lease) shall be released from any and all liability hereunder.

24.12 Joint and Several Liability of Tenant. If there is more than one party tenant, the covenants of Tenant shall be the joint and several obligations of each party, and if Tenant is a partnership, the covenants of Tenant shall be the joint and several obligations of each of the general partners of such partnership and of such partnership.

24.13 Confession of Judgment. Tenant hereby irrevocably constitutes and appoints any attorney of any court of record in this State, to be Tenant's true and lawful attorney, for Tenant and in Tenant's name and stead, to enter Tenant's appearance in any suit or suits that may be brought in any court of this State at any time when any money is due hereunder for rent or otherwise, to waive the issuance of process and service thereof and trial by jury or otherwise, and to confess a judgment or judgments for such money so due and for costs of suit and for

reasonable attorneys' fees in favor of Landlord, and to release all errors that may occur or intervene in such proceedings, including, without limitation, the issuance of execution upon such judgment, and to stipulate that no writ of error or appeal shall be prosecuted from such judgment or judgments, or any bill in equity filed, or any proceedings of any kind taken in law or equity to interfere in any way with the operation of such judgment or judgments or of execution issued thereon and to consent that execution may immediately issue thereon.

24.14 Cancellation. If any lending institution shall require a change in this Lease as a condition to extending financing on the security of the Shopping Center and/or if Landlord determines that this Lease materially interferes with Landlord's ability to obtain desired financing secured by the Shopping Center, Landlord may terminate this Lease upon 90 days advance notice to Tenant, in which event Landlord shall reimburse Tenant for the unamortized cost of all Tenant's improvements to the Leased Premises and expenses of moving Tenant's stock and trade fixtures to a destination up to 25 miles from the Shopping Center.

24.15 Counterparts. This Lease may be executed in one or more counterparts, but all such counterparts shall be one and the same single instrument.

24.16 Limitation on Liability. Notwithstanding any provision in this Lease to the contrary, Tenant agrees to look solely to the interest of Landlord in the Shopping Center and any rents derived therefrom for the satisfaction of any damages or other obligations, liabilities or indebtedness of Landlord to Tenant arising under this Lease. Without limitation of the foregoing, neither Landlord nor any of its beneficiaries, trustees, partners, members, managers, directors, officers, employees, agents or representatives shall have any personal obligation or liability for any such damages, obligations, liabilities or indebtedness beyond Landlord's interest in the Shopping Center or rents derived therefrom.

12.17 Waiver of Jury Trial. **TO THE MAXIMUM EXTENT PERMITTED BY LAW, LANDLORD AND TENANT HEREBY KNOWINGLY AND INTENTIONALLY AGREE THAT ANY DISPUTE, CLAIM OR OTHER CONTROVERSY ARISING PURSUANT TO THIS LEASE OR IN CONNECTION HERewith SHALL BE TRIED WITHOUT A JURY, BY JUDGE ALONE, BEFORE A COURT OF COMPETENT JURISDICTION, IN THE STATE OF ILLINOIS, AND EACH OF LANDLORD AND TENANT HEREBY KNOWINGLY AND INTENTIONALLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESPECT TO ANY OF THE AFORESAID DISPUTES, CLAIMS OR CONTROVERSIES.**

12.18 Survival. Upon the expiration or termination of this Lease, all obligations of Tenant relative to payment of rent (including, without limitation, the rents described in Section 1.5 hereof), or any other amount owing under this Lease, that have accrued on or prior to the expiration or termination of this Lease, and any other obligations of Landlord or Tenant that, by their nature, arise after the expiration or termination of this Lease (e.g., indemnification obligations relative to actions during the Lease Term and obligations of Tenant relative to removal of its property from the Leased Premises and repair of any damage caused thereby), shall survive such expiration or termination.

12.19 Certificate of Need. Landlord and Tenant understand and agree that the establishment of any chronic outpatient dialysis facility in the State of Illinois is subject to the requirements of the Illinois Health Facilities Planning Act, 20 ILCS 3960/1 et seq. and, thus, Tenant cannot establish a dialysis facility on the Leased Premises or execute a binding real estate lease in connection therewith unless Tenant obtains a Certificate of Need (a "CON") permit from the Illinois Health Facilities and Services Review Board (the "HFSRB"). Based on the length of the HFSRB review process, Tenant does not expect to receive a CON permit prior to April 21, 2018. In light of the foregoing facts, the parties agree that they have executed this Lease prior to approval of the CON permit, but this Lease shall not be binding on either party prior to approval of the CON permit and shall not be effective prior to CON permit approval. Assuming CON approval is granted, the effective date of this Lease shall be the date of the CON permit approval. In the event that the HFSRB does not award Tenant a CON permit to establish a dialysis center on the Leased Premises by April 21, 2018, neither party shall have any further obligation to the other party under this Lease and this Lease shall for all purposes be terminated and of no force or effect.

13. Landlord may, without notice, assign this Guaranty in whole or in part, and no assignment or transfer of the Lease or subletting of the Premises shall operate to extinguish or diminish the liability of Guarantor hereunder.

14. The liability of Guarantor under this Guaranty shall be primary with respect to any right of action which shall accrue to Landlord under the Lease, and Landlord may, at its option, proceed against Guarantor without having to commence any action, or having obtained any judgment, against Tenant.

Dialysis Care Center Hazel Crest has no reason to believe that this project would have any adverse impact on any provider or health care system to cross-subsidize safety net services.

Dialysis Care Center Hazel Crest will be committed to providing ESRD services to all patients with or without insurance or patients to no regards for source of payment. Dialysis Care Center Hazel Crest will not refuse any patients. Medicaid patients wishing to be served at Dialysis Care Center Hazel Crest will not be denied services. Ms. Courtney Avery
Administrator
Illinois Health Facilities & Services Review Board
525 W. Jefferson St., 2nd Floor
Springfield, IL 62761

Dear Ms. Avery,

I am a pleased to support Dialysis Care Center Hazel Crest. The proposed 12-station chronic renal dialysis facility, to be located at 18325 Pulaski Ave Unit A-B, Hazel Crest, IL,60429

Dialysis Care Center Hazel Crest facility will improve access to necessary dialysis services in the Hazel Crest community.

I have witnessed extreme growth of both population and of ESRD patients in this area. We have many pre-ESRD patients in my practice that I anticipate referring to the Dialysis Care Center Hazel Crest. This facility will better serve the growing number of dialysis patients in my practice.

I currently have 98 CKD 3 AND 4 patients in my practice, of these, I expect approximately 20% to expire, regain function, move out of the area or choose home dialysis before dialysis therapy is started. I expect then that approximately 79 of these patients would be referred to Dialysis Care Center Hazel Crest facility for dialysis. My partners and I will continue to refer patients to the other area facilities per the patient's place of residence and choice. We are also strong supporters of home dialysis through our home therapies programs and will continue to refer those patients who are good candidates for home dialysis services.

Appendix 1

I respectfully ask you to consider the constant growth of ESRD in Hazel Crest and Cook County to approve the Dialysis Care Center Hazel Crest facility to maintain access for future dialysis patients.

Thank you for your consideration.

I attest that to the best of my knowledge, all the information contained in this letter is true and correct.

Sincerely,

Dr Tauseef Sarguroh
